## U3A comes to Augusta

The University of the Third Age, Margaret River is offering one new course and a monthly event in Augusta. Residents of Augusta are being offered an introductory U3A new member annual subscription of \$25 (usually \$40) to access over 25 U3A courses and monthly events in Semester 1.

### New 4-week course commencing 10:00am Tuesday 15 February

#### Discussing Death & Dying Matters

Discussing death and dying is something that many people shy away from. A good way to learn about death is to talk about it. You will be given the opportunity to discuss different topics around death in a supportive environment.

Weekly at the Augusta Community Resource Centre 66 Allnutt Terrace on Tuesday from 10:00-11:30 AM from 15 Feb 2022 – 8 Mar 2022

THIS COURSE IS MAINLY FOR RESIDENTS OF AUGUSTA AND SURROUNDING DISTRICTS AND IS THE SAME COURSE AS IS BEING OFFERED IN MARGARET RIVER LATER IN THE SEMESTER. (However, anyone who is a member of, or joins U3A Margaret River for 2022 may sign up for this course).

**Course attendees must be fully COVID vaccinated**

### Free Monthly event Tuesday 15 March 10:30 am

#### 'Making Life Comfortable' WA: From Campsite to Thriving State

Augusta Community Resource Centre 66 Allnutt Terrace  
In his talk, author and historian, Richard Offen will trace how, from very humble and difficult beginnings, Western Australia, specifically the South West, slowly evolved from nothing more than a camp site into a thriving area with all 'mod cons' laid on.

Our full 25 course program for Semester 1 2022 may be viewed on-line at [www.u3amr.org.au/courses](http://www.u3amr.org.au/courses). In addition, we offer monthly events such as visits to local places of interest and one-off lectures

On-line membership subscription for new and existing members and course enrolment is available at [www.u3amr.org.au](http://www.u3amr.org.au)

**Event attendees must be fully COVID vaccinated**

The Augusta CRC is pleased to see an aspirational idea to bring additional learning opportunities and events to our community (raised at a strategic planning day in 2020) come to fruition.

In collaboration with the Augusta CRC, The University of the Third Age, Margaret River is offering one new course and a monthly event in Augusta. Residents of Augusta are being offered an introductory U3A new member annual subscription of \$25 (usually \$40) to access over 25 U3A courses and monthly events during Semester 1.

#### Achieving a Good Death

Most people avoid talking about death. For this reason, death remains an unknown reality that everyone faces when people they love pass on, and when their own death approaches. We find it hard to know what to say to people who have lost partners, parents, children or close friends. Many of us find it difficult to make plans that would minimise emotional and financial problems for those who will survive us after our own death.

Paul Barlow will present a U3A course in Augusta (on Tuesday 15, 22 February and 1, 8 March from 10-11:30 am at the Augusta Community Resource Centre) that will provide a supportive environment for honest discussion and reflection about different topics around death. These subjects include how to talk about death and dying, spiritual stories around death, planning for how you want

your end of life to be, what your choices are and how to plan, and

options for how your body is treated from the moment of death to your burial or cremation.

This course features both information from Paul and discussion by all participants.

Paul Barlow is a member of a group titled Death and Dying Matters, Augusta Margaret River, that promotes a view that a healthy life considers death to be a normal part of life.

Barlow says: "There's value to accepting death as part of life. When I was 31, my brother who was 34 passed away. My ability to accept his death enriched my life and changed it in many ways.

There is something around death that can shift you and if you allow that shift to happen, in my experience, life changes."

Having comfort with death will allow you to walk through it in a much better way. You will also gain knowledge on various things that need to be done when a person dies and how to plan for it.

Previous attendees have gained comfort with the idea and reality of death and knowledge about various things that need to be done when a person dies and how to plan for it.

While much of the class is discussion through an open guided conversation, participants can 'pass' and not talk about particular subjects depending on their comfort about various topics.

This 4-session course is mainly for residents of Augusta and surrounding districts and is also being offered in Margaret River later in the semester. A minimum of 3 participants will be needed to run the course.

**Course attendees must be fully COVID vaccinated.**

AUGUSTA PRESENTS

# DR. FISH

WITH SPECIAL GUESTS

# HOWLING ONSHORE

It is with great disappointment and much deliberation the Augusta Presents Committee has made the decision to postpone this year’s Augusta Presents Concert in March.

Due to the current covid situation and numerous variables and providers involved we felt we could not proceed with the concert at this stage.

We look forward to bringing Augusta Presents to the community at a later date. Thank you for your understanding

11 Aug	8 Sep	13 Oct	10 Nov
8 Dec			

**Time:** 10.30am **Cost:** Free **Bookings:** Essential  
Please phone 9780 5602 to reserve your child's place.

## Augusta Childcare Update

On Wednesday 19 January Council did not accept any of the tenders received to upgrade the Augusta Recreation Centre to accommodate a childcare facility, as all were significantly over the allocated budget.

Council remain committed to supporting the facilitation of a childcare service in Augusta, through a review of other potential options for the delivery of a childcare service.

With the support of the South West Development Commission, the Shire will continue to work with the community to identify how this can be achieved as soon as possible. The Shire President, CEO and Director of Corporate and Community Services have met with ADCC representatives to progress the next steps for these discussions.

## Thank a Volunteer Day Celebration Update

Due to uncertainty around the current COVID situation, the Shire's executive team has made the hard decision to cancel the Thank A Volunteer Celebration that was set for 3 February at the Margaret River HEART. Instead we will be celebrating our region's volunteers in the media and online. Watch this space!

## How to dispose of Face Masks safely

It's great to see everyone wearing face masks and abiding by the latest health advice, but are you wondering how to dispose of them properly? We've got you sorted.

- Place disposable masks (and other single-use safety equipment) in our new Zero Waste Box in the foyer of the Shire's Margaret River office.

OR

- Place disposable masks in the RED BIN ONLY with the ear straps cut.

Curious about what happens after you dispose of your mask in the Shire's Zero Waste Box? Find out at the Shire's The Best We've Ever Bin Facebook page.

## Maintenance and Repairs to Old Augusta Town Jetty

The Old Augusta Town Jetty will be closed from mid-February for approximately one month (weather and tides permitting) for maintenance works, to ensure the jetty remains safe for all users.

Please use an alternative jetty while works are completed. Thank you for your understanding.

For more information please call Coordinator Technical Services Rachel Sweeney via email [rsweeney@amrshire.wa.gov.au](mailto:rsweeney@amrshire.wa.gov.au)

**On behalf of the Management Committee of the Augusta Community Resource Centre**

From Monday 31 January, proof of vaccination requirements will expand to apply to venues and events state-wide.

Showing proof of vaccination to enter certain businesses and venues is an important public health and social measure that helps to protect the community against COVID-19.

There are a few ways you can show proof of your COVID-19 vaccination, both in a digital and paper-based form.

The WA Government has also launched the ServiceWA app – a free, convenient and secure mobile application that will help Western Australians with WA's Safe Transition, including proof of vaccination requirements.

Based on the latest health advice, a mandatory COVID-19 vaccination policy for a majority of occupations and workforces in WA will be introduced in a phased approach.

The policy follows the existing mandates in place for workers in high-risk industries, including those interacting with people at an increased risk of being infected with COVID-19, or people who are vulnerable to the impacts of COVID-19, or where it is necessary to avoid risk to the safety of the community.

At the Augusta CRC we are adhering to the mandated requirements in place and will be doing all we can to protect our staff, volunteers and community.

At present masks must be worn at all times in the Augusta CRC and include mandatory check-in procedures. As from the 31st January 2022 the CRC may also be requiring proof of vaccinations at the Centre.

Please treat our staff with respect and note these requirements do not necessarily express personal views and as such any abusive behaviour will not be tolerated.

**Events management Traineeship Job Vacancy**

The Augusta Community Resource Centre is seeking applications from customer focused individuals able to work between the hours of 9.00am to 4.00pm Monday to Friday for a 12 month traineeship contract commencing in February-March 2022.

On the job training is provided in a range of community, business and events activities whilst undertaking a Certificate III in Events SIT30516. Proficient MS Office literacy is highly desirable, receptionist and administration duties will form part of the traineeship. A current WA Driver's Licence and reliable vehicle is essential, due to the nature of CRC activities and duties.

Vaccination required as per government mandate.

Please email a cover letter and resume by end of February 2022 or call 97580002 for more information.

Third time lucky for our Astronomy Night with clear skies and bright stars greeting participants at Starry Night event.

More than 60 people joined astronomer Rick Tonello from the Gravity Discovery Centre in Gingin for the sellout 'Starry Night' event on Tuesday, January 11. Mr Tonello led community members of all ages on a journey through the cosmos, using some of the Discovery Centre's specialist equipment.

We were lucky enough to have perfectly clear skies and four large telescopes to view different parts of the cosmos including a very detailed view of the moon. It was a really amazing experience and also something really unique to have in Augusta.

# Leeuwin Lines

The Lions Club of Leeuwin held a 50th Anniversary celebration at the Augusta Hotel on Saturday 11th

December 2021, exactly 50 years to the day that they received their Charter and official recognition as a club.

It was pleasing to see such a good attendance from clubs within our district and in particular the Lions Club of Busselton who were the sponsoring club all those years ago.

Leeuwin Lions were especially gratified to have present two of the original members of Busselton Club, John Clarke accompanied by his wife Rae, and Clive Hutton, in addition to long time member Gary McDonald and partner Christine and past Zone Chairman Geoff Littlefair and partner Lyn.

Lions Club of Leeuwin Charter President John Williams in his welcoming address referred to the great job that the Busselton Club had done in guiding the Lions Club of Leeuwin in the years after their official establishment. He gave huge praise and recognition to John Clarke and Harold Faulkingham, now deceased, who with great dedication attended each dinner meeting of the newly formed club for over two years.

The anniversary luncheon was capably chaired by experienced Lion Matt Russell who further acknowledged the effort of visiting Lions from Cowaramup, Nannup, Brunswick, Dardanup, Australind, Mandurah, and Port Kennedy to attend on the day. He stated that as part of the crowd of over 100 attendees there were 6 former District Governors, a Lion Clubs International Foundation representative and 4 former Zone Chairpersons... a great number of visiting dignitaries.

President Jim Challis applauded the Club for 50 years of active service provided to the local community and thanked Lions and volunteers for the tremendous work currently being carried out by the various Club entities. In recognition of the untiring efforts of Lions Phill and Gail Robinson in establishing a refund depot for 'Containers for Change' and being a major part of its operation during the initial 12 months, Jim took great pleasure in presenting them both with 'Melvin Jones Fellowship' awards.....the highest award in the Lions International organisation.

Also recognised with a MJF award for her outstanding contribution to the Lions Club of Leeuwin over many years was popular Lions Partner Edie Williams.

The toast to Lions International was proposed by LCIF representative Simon Heales and was followed by a well-crafted response by PDG Peter Lamb. Peter was pleased to be involved as he had given the same toast at the Club's 40th Anniversary ten years earlier.

In winding up the afternoon proceedings following the drawing of some very good raffle prizes and the spinning of some tall tales by a few of those with very vivid memories, MC Matt again thanked all those in attendance with a special mention directed to the widows of outstanding Lions past, and former good Lions who have left the district but made the effort to return for this memorable occasion.

And there was more.

**Fun & Frivolity - Lions Volunteers' Xmas Party**

With the 50th Anniversary & Xmas Celebrations now past, activities in the Lions trading activities were extremely busy, some \$11,000 was banked for the two trading days between 5th & 10th January – this excludes any accruals for CDS activities - contributing significant funds for future Lions purposes. A notable achievement by all Lions and their volunteers.

The Container Deposit Scheme (CDS) recorded its 1,000,000th container on December 16th. CDS commenced on the 1st October 2020, in just over 15 months since start up there has been an average of around 75,000 containers per month.

This CDS operation has put back into the community by way of the 10c refund over \$100,000 since commencement. This does not include the earning Leeuwin Lions make from its contract with WARRL for processing the containers.

An outstanding achievement by all involved by a project started by Phill & Gail Robinson whose contribution was recognised with the presentation of the Melvin Jones Awards at the 50th Anniversary Celebrations.

The CDS operation continues to grow with just under 55,000 containers deposited in the first week of January and not all containers are being captured. For example, most 10c containers discarded at the two Shire-operated caravan parks end up going to landfill - Lions are now attempting to address this!

Bev & Ivan with the 1,000,000th container

Whilst on the matter of recycling, Leeuwin Lions also still recycles newspapers, so save them up & drop them off when leaving your containers at the CDS shed.

Changes within the relevant Worksafe Legislation that now encompasses volunteer workforces such as current Leeuwin Lions activities combined with mandatory COVID regulations has brought out Lion Peter Keppel's previous work experience and skills in ensuring all operations meet compliance requirements. Lions are very fortunate to have Peter on board!

**HMAS NIZAM MEMORIAL SERVICE 2022**

The Annual HMAS Nizam Memorial Service will be held on Sunday February 6<sup>th</sup> at 10.00 am at Cape Leeuwin Lighthouse where the memorial cairn is located.

77 Years ago, on February 11, 1945, at 2215 hrs, HMAS Nizam, was 11 miles south of Leeuwin Lighthouse, when it was struck by a freak wave. The ship rolled 75 degrees and tragically ten sailors were swept overboard never to be seen again. They were aged 18-23 years old.

Lest We Forget .. LS Colin Ryder, OS Garnett Hill, OS John Wallace-Barnett, OS Keith Mills, OS Leslie Holloway, AB Victor Keys, AB Alfred Kerr, AB Allen Milich, AB Vincent Richardson and Stoker John Poulton.

The five 'N' Class Destroyers, Napier, Nizam, Nestor, Nepal and Norman were built in the UK and although part of the Royal Navy, were commissioned to The RAN and crewed by Australians throughout WWII.

The 'N's served in every ocean in the world and hold 26 Battle honours between them. Unfortunately Nestor was sunk in the Mediterranean in June 1942 and never came to Australia. After their battles in the Atlantic, Africa, Mediterranean, Crete and Tobruk, the four 'N's joined the British Pacific Fleet playing a major role in the defeat of the Japanese.

After the war ended, N Class Destroyers associations were formed in NSW, Victoria, Tasmania, South Australia, Queensland and lastly Western Australia in 1989. Today Western Australia is the only branch still operating.

Associate Membership is open to any direct descendants of N Class Sailors and Affiliate Membership to anyone who has a keen interest in our association.

This year we also commemorate the 20<sup>th</sup> Anniversary of our Memorial Wall, which was dedicated in 2002. Plaques affixed to this wall are dedicated to our N Class Sailors who have passed away since the end of WWII. There are 112 places on this wall which is almost full.

Over the past years, we have been very fortunate to have the full support of the Commanding Officers from HMAS Stirling, The RAN Band, Navy buglers and magnificent catafalque parties guarding the memorial for the HMAS Nizam Service.

We are pleased to have the Commanding Officer, Captain Gary Lawton attending again this year, together with the catafalque party.

The RAN Navy Band will once again provide a free concert at The Augusta Hotel on Saturday 5<sup>th</sup> February from 2-4pm and will be in attendance at the HMAS Nizam service on Sunday 6<sup>th</sup> February at Cape Leeuwin.

Unfortunately our new found Chaplain, Barrie Yesberg has been caught up in the NT and will not be back in time to conduct this year's service. We sincerely thank Barrie for his expertise in finding us a very suitable replacement in Milo Velebir, Chaplain, RAN.

A special thank you to the Lions Club of Leeuwin, Myles and Mary Rees, and the school children from Augusta PS and the people of Augusta who continue to provide the wonderful support of our association throughout the year and the HMAS Nizam service.

A little bit of magic was enjoyed by locals at our inaugural Augusta Arty Party hosted by the Augusta Hotel in November 2021. The evening celebrated the creation of more than 200 pieces of diverse art when the entire collection was exhibited to our community. The ambitious intergenerational project took two years to complete and included contributions from the Augusta Playgroup, the Leeuwin Lodge, and all ages in between. In some cases, 3 generations worked on pieces together and more than 20 volunteer groups participated in the collaborative workshops.

The sessions were facilitated by Heather Lowe-Sims from Oriel Karridale Gallery and funded by the AMR Shire and The Augusta River Festival. Under Heather's talented guidance creativity flourished and the outcomes have been extraordinary. A myriad of materials and techniques were used to create themed pieces that reflect our

local culture and surroundings, providing participants the opportunity to learn new skills and for some to experience the joy of art for the first time.

The project has not been without its hurdles and adversities including the complexities of Covid-19 social distancing and the loss of two of our teams beloved family members. What has become undeniable is the power of art to ignite community connections. It has been a delightful way to unearth hidden talent, spark imagination, build confidence, and create networks. Artists had the chance to purchase their own art at an exclusive price which helped with the costs of facilitation, framing and materials and a successful silent auction was also conducted on the night. The evening was generously supported by many of our

local businesses who contributed a great range of door and raffle prizes.

The not-for-profit event will reinvest any proceeds into the Augusta Primary School P&C and to future community art projects. Well done Augusta and all those who supported and participated in this unique endeavour!

On behalf of the Augusta River Festival and the Intergenerational Art Project we would like to thank our generous community sponsors....

Our Christmas get-together on Monday December 13th at the Milentis household was the usual jolly affair with a lot of chatter, yummy food, fun Secret Santa and quizzes, and an opportunity to look round their garden - beautiful hanging baskets and a very productive veggie patch in particular.

We honoured two of our longest-serving members who still actively contribute, thirty three years on. Eileen MacDonald and Margaret Martin were awarded Life Membership. Upon presentation of their awards there was some lovely reminiscing of the early days of the Garden Club.

Our first meeting of the New Year will be the AGM, to be held on Monday February 21st, at our new "home", the Dr John Williams Meeting Room at the Leeuwin Units, 194 Blackwood Avenue. All positions will be declared vacant and we are seeking nominations for all the positions.

Afternoon tea roster Noline, Vi and Ken.

<b>28th</b>	<p>Bunuru (February - March)            The Noongar Season 'Bunuru' is represented by the colour orange and is the hottest time of the year. Bunuru is the hottest time of the year with little to no rain. Hot easterly winds continue with a cooling sea breeze most afternoons – if you're close to the coast. Traditionally this was, and still is, a great time for living and fishing by the coast, rivers and estuaries. Because of this, freshwater foods and seafood made up major parts of the Noongar people's diet during Bunuru. Bunuru is also a time of the white flowers with lots of white flowering gums in full bloom, including jarrah, marri and ghost gums. Another striking flower to look out for is the female zamia (Macrozamia riedlei). Being much larger than its male counterpart, the huge cones emerge from the centre of the plant with masses of a cotton wool like substance. As the hot and dry weather continues, the seed cones change from green to bright red, indicating they're ripening and becoming more attractive to animals, particularly the emu, that will eat the toxic fleshy outer layer.</p> <p style="text-align: right;">source: ECU</p>

**DID YOU KNOW...**

The Wadandi were the first peoples in this area. They called it "Doogalup". Wadandi traditional country covers an estimated 1,800 square miles (4,700 km2). Predominantly coastal, it encompasses Busselton and the areas from Bunbury to Cape Leeuwin and Geographe Bay. Inland it reaches the area around Nannup.

The Wadandi peoples were the sole inhabitants of the area for an estimated 45,000 years before the arrival of British colonial settlers at Augusta in 1830, and are one of fourteen language groups of the Bibbulmun (Noongar) peoples.

Cape Leeuwin was named by Matthew Flinders on December 7, 1801 at the commencement of the circumnavigation of Terra Australis (Australia); taking the name of the adjoining area which had been called Leeuwin's Land by the Dutch navigators when The Leeuwin (The Lioness) rounded the cape in March 1622. The Dutch described the land they found as low-lying, sandy dunes and marked their charts 'Leeuwin's Land'.

This March is the 400th anniversary of the discovery of "Leeuwin's Land" now called Cape Leeuwin. There will be numerous commemorations and celebrations of the anniversary throughout 2022. Watch this space for more details.

Delivering Father Christmas to the Christmas Carols at Turner St Jetty, whilst a successful venture the rowers had an eventful row with a very strong

South Easterly & a very strong incoming tide – despite all the planning & previous time trials from the Ellis Jetty – Father Christmas made sure the Concert Band played Rudolf a number of times

What normally takes 10 or a maximum 15 minutes to row took some 40 minutes, however coming home only took 5 minutes! More planning required in the event of similar weather events as the Rowers certainly enjoy participating and the kids excitement is infectious when receiving the treats from Father Christmas.

The planning for the Australia Day Regatta held normally at the Margaret River Rowing Club has had to be changed to Augusta due to the high-water levels in the river making repairs to the pontoon impossible and the walkways are still under water.

The Regatta will now be held at the Augusta Yacht Club and is a series of short course races to cater for all on Saturday 29th January. The premier event being for 'Marg's Mug' a race between crews from Margaret River, Royal Freshwater Bay Yacht Club, and the Augusta Rowers. Expect to see some ring ins in the visiting crews

of former seriously competitive oarsmen/ women. The aim of the Regatta is having fun & is a social day open to all enjoying rowing the St Ayles Skiffs.

Augusta Rowers are planning upon staging their own regatta with its own unique set of events, some of which to cater for the more competitive and endurance members. For example a relay race from Turner Street Jetty to the Yacht Club, change crews & return to Turner Street Jetty – weekend to be nominated and planning for crews, invitations etc to come.

Bunbury Coastal Rowing Club have been in contact and are planning upon a repeat adventure in late March having already made a booking with the Lions Adventure Centre.

A big thanks to Paul Sofilas for organising a film at the CRC and the Sundowner at the Lighthouse Café where Noel on banjo & Deb on percussion entertained all. The Sundowner attracted some 50 people who joined with the occasional sea shanty and noisy cutlery.

An invitation had been received to participate in the Festival Perth on the weekend of 11th & 12th February joining in with RFBYC skiffs and all manners of craft rowing in the evening over a figure of eight course off Bather's Beach in Fremantle. Unfortunately the event was cancelled due to Covid concerns by organisers.

The new longer Croker Oars have arrived and ready for use shortly. These oars were purchased with funds raised from sponsors, Rowathon and other fund-raising events. The decals acknowledging the sponsors is now a priority so the oars can be put into service.

The building of Acorn 17 has resumed after taking a break over the Christmas period with construction at the stage of cutting & preparing the 'strakes' or planks. This is not as straightforward as one might think. After several different approaches and much discussion & debate the methodology has evolved. This construction process is quite different to the two St Ayles Skiffs we built from a kit form, in that we purchased the plans only and are sourcing all timbers and building from scratch.

Those interested in rowing and /or becoming involved in wooden boat building please do not hesitate to contact Heather (0447 576669) or Bill (0400 750967) – interest from groups and organisations is most welcome – age, fitness or skill levels are not barriers to rowing these amazingly easy to row boats. Keep a watch on our website for upcoming events, check out the photo gallery on the website & Facebook, recycle your drink bottles & cans to our account – many thanks to those who donate to our account- we've received close on \$600 over the past 12 months – thanks to all donators.

The Augusta Historical Society Inc.

We rounded off 2021 with an enjoyable Christmas gathering. An enthusiastic group enjoyed food

provided by everyone, drink and good company. A few raffle prizes livened things up and a giggle was had over some 1920's swim wear (woollen!!). We also presented Helen McKenzie with a gift and a big thank you for her time as Honorary Secretary. Her efforts will be missed. We are currently looking for a replacement if anyone would like to put their hand up.

2022 may be a challenge, but I believe with what we have already weathered in the previous few years, we will weather this as well. We did make the decision to cancel our January meeting due to the mask mandate but hope that once we all are accustomed to things we can continue as usual.

**2022 is the 400th Anniversary of Dutch exploration of our coast.** Most well known for us is the Leeuwin which was here in 1622 and named the area after their ship. We, along with several other groups, are hoping to recognise this during the year.

**Reminder**

If you have not been able to pay your subscription yet or wish to join our lovely group, it is \$10 Single and \$15 Couple – annually. This can be left at the museum with your details.

Next Meeting: Thursday, February 17th. 7pm

December for all of us at CWA Augusta was a busy month leading up to the festive season.

Christmas started early with our Christmas themed mini markets which turned out to be a great success!! Lots of local artisans had stalls, there was face painting for the kids, and not forgetting our famous CWA cake stall which all of our members were kept busy baking for leading up to the day. Our special guest Santa made quite the entrance arriving on the Fire truck. Thank you to all the community supporting our markets.

"Christmas celebration" lunch was held at The Augusta Hotel this year. We treated ourselves to a well-earned beautiful meal.

A big thank you to all the Hotel and the all of the staff, it was a fantastic spread!! The lunch started with a CWA quiz then followed by lots of laughs with Beryl's naughty jokes. Shirley performed for all of us her famous Princess Fairy dance which was quite the show stopper. The day finished up with the Augusta Primary School Choir singing Christmas carols, wow those kids can sing!!

Thank you to all that made the day so special.

The month of December CWA members welcomed the seniors back for morning tea once a week. We all look forward to seeing all guests it is always a lovely morning full of great food, lots of great conversation, laughter and friendship.

It was a busy month for Project care hampers, making sure we got as many as possible out to people in our

community in need. Thank you to IGA Augusta and all of the Augusta community and Lions club of Leeuwin who make this happen each month.

The ladies enjoyed their first outing for the year in January a morning tea held at CWA Rosa Glen/Witchliffe. A wonderful day was had for laughter and friendship and great food of course!! And for many of our members it was a walk down memory lane catchup with old friends.

Interested in hiring the CWA Hall for your next function or regular gathering please contact us email [cwinaugusta@gmail.com](mailto:cwinaugusta@gmail.com)

### Hints for the home and to Preserve the Temper

#### SCISSORS IN THE KITCHEN-

Instead of using knife, use scissors for cutting orange rind for marmalade, tripe, pastry, date, parsley, steak.etc.

Scissors are very useful in the kitchen.

Our Christmas party was the first joint event with the Tennis and Croquet clubs combined. A great time was had by over 30 members. We tucked into tasty platters of prawns and roast chicken with all the trimmings, provided by Annie, Carole, Claire and Wendy. Sheila Austin had been up all night baking her world-famous mince pies. Our thanks to them all. The President was heard to remark that it was the best Christmas party meal ever - simpler to prepare and a much better meal than the burnt turkey rolls he'd done last year! The club house and pavilion had been decorated festively. After dinner there was a music quiz, where the songs ranged from 1961 Elvis to 2011 hits (which nobody knew - what a surprise). A highlight was when the Adele song Someone Like You came up - Matt from Karnidale Circus not only knew the answer - he sang the whole song! That earned him a Freddo Frog.

The WA Commerce Dept. has approved our amalgamation. Jan White writes: I would like to add a big thank you to the tennis club committee and members for their help in the amalgamation of the two clubs. We have achieved a great outcome.

We have had a lot of visitors lately, with some of them joining up as members. This is fantastic for a small country club such as ours. It has meant we have had sit-outs, as many as eight sometimes, but nobody minds that, especially on a hot day. Captains Katrina and Shane have been doing a great job juggling all the options when putting up the sets. As new members we welcome Nigel and Siobhan Dormer, Duncan and Emilie Bell, Steve Sutherland, Don Inglis, Joel Durell.

Thanks to Bob Rowe for all the pics.

## Quilters of Leeuwin Exhibition

By JUDITH WILTON

Covid has presented us with many challenges - lockdowns and travel restrictions over recent times. However, the Quilters in our community have enjoyed the many additional hours putting needle and thread to fabric and creating wonderful quilts. Quilts will be displayed using the quilting association frames over the weekend of 5th and 6th February 2022, in the Centennial Hall Augusta from 10am-3.30pm both days.

Quilts have been made by hand and machine, not only for beds but wall hangings, pictures, play mats and more. The modern quilt called 'Southern Lights', with colour and design reflecting the Auroras, will be raffled with proceeds going to the Augusta community. Some quilts will be available for sale along with a sewing and quilting pop up shop.

A small entry fee will include morning or afternoon tea. Covid safe procedures as mandated by the state government will be in place.

We are delighted to advise that we were successful with our Community Gardens Grant program application. Advice was forwarded to us

via the Uniting Church in Australia Building Trust - our incorporated body, and our thanks go to the Department of Communities for the opportunity and successful outcome. We can now work on the preparation of some wicking beds and our plans for a potting shed and shade house.

Thanks to a donation from a local community member we planted out over a dozen tomato bushes late December. They will provide us with a good crop very soon.

There has been a new addition to our Outback Garden and our Rose garden is blooming!

On Monday the 14th of February at 10am we are inviting Garden members to a morning tea in the garden and a chat about some of our future projects. Anyone who is interested in joining and finding out more about our plans is also welcome. We look forward to the catch up in our Community Garden at 68 Blackwood Ave. Augusta.

## Annual Augusta Nurses Memorial Service

By JILL PERKINS

5th February 2022  
RSL Park  
York street, Augusta

There will be a service at 10am on Saturday 5th February to commemorate the Australian Army Nursing sisters who died as a result of enemy action in World War II. Retired Director of Nursing Mrs Francine Temby will give the address and remember the nurses who died 80 years ago. The Reverend Dr Sarah MacPherson of the Augusta-Margaret River Anglican Church will conduct the service with Brian Neal from the Karridale-Augusta RSLWA.

A representative from Augusta Primary school will read the Captives Hymn. The hymn was composed by Margaret Dryburgh in a POW camp in Sumatra and brought comfort to the prisoners when they sang it together.

There will be a morning tea at the Anglican Church on Allnut Terrace following the service. All are welcome.

## CIVIC PARK GOLF CLUB AUGUSTA (INC)

By HERMAN GERRITSEN - PRESIDENT

Welcome to all our present and past members.

As you may have observed, the small group of members have worked hard to improve the course by mowing fairways regularly, replacing a couple of greens and updating the signage.

The beginning of the new year also brings about a new Financial year for the Club. This means Membership fees are now due. They have not changed for the last few years and are still only \$50:00 per annum. These fees can be paid in several ways.

1. **Directly into the Club's bank account. Bankwest Augusta.**  
Name: **Civic Park Golf Club Augusta**  
BSB 306-116 Account 415 8351

To assist with our record keeping, PLEASE add your name to the bank deposit and send an email to acknowledge payment to [hr.gerritsen@yahoo.com](mailto:hr.gerritsen@yahoo.com). au Add your postal address so we can send you a Membership Card.

2. **Pay at the Shire Office** (Open Tuesday, Wednesday, Thursday)
3. **Pay when hiring clubs at X-treme Sports** next

to the Better Choice Fuel Outlet in the main Street.

**You will be issued with a membership card on receipt of fees.**

This entitles you to use the Golf course free whenever you choose.

- When paying at the Shire Office in Augusta or at X-treme sports please complete the membership form. Your email address is most important, as this will be the major area of communication between the Club and members.
- Your membership fees are vital in an effort to improve the facilities and keep this course operational for members and visitors in years to come. Payment A.S.A.P. would be greatly appreciated. Thank You.

The **Annual General Meeting** will be held at the Shire Office Chambers on **Wednesday 17th February 2021 commencing at 10am**. All positions will be declared vacant and I encourage as many members as possible to attend.

**Herman Gerritsen. President.**

Augusta Wildlife Care WA started the new year with their January Meeting holding a wildlife

trail camera demonstration. Using the wildlife cameras is a great way to monitor wildlife without disturbing them, also helps with surveying foxes and feral cats in our local area. Since the introduction of the European red fox in the 1860's there are now an estimate of 7.5 million foxes throughout the land, in a 10km radius there are 1,256 foxes assuming there are only 4 foxes per square km, usually there are more.

Predation by the fox is considered to be a major threat to the survival of native Australian fauna. In

our local area, foxes are causing threatening decline to ground dwelling mammals, birds and reptiles between 33g and 5.5kg or more if hunting in a pack with cubs. This decline has affected local numbers of possums, bandicoots,

phascogales, antechinus, many birds but swans suffer greatly along with the longneck turtle. The list goes on and every night more and more wildlife is lost to foxes and feral cats.

AWCWA is working with Augusta Ferals in developing a community volunteer fox/feral cat control program, and we are looking for volunteers to help out, if you are interested please contact details below.

AWCWA has been very busy fundraising and with the help of our generous community we managed to help our wildlife carers with the cost of rehabilitating injured or orphan native fauna. AWCWA would like to give a big thanks to all who kindly donated towards purchasing the much needed tranquilizer gun. Thank you.

For more information please contact us at [awcwainc63@gmail.com](mailto:awcwainc63@gmail.com)

Donations are much appreciated. Bank details are Augusta Bendigo Bank BSB 633 000 Account number 187 299 052 For help with injured or orphan native wildlife in Augusta surrounding areas please call licensed wildlife carers Kerry on 0437 200 605 or Dave on 0417 171 802.

## Kindness and Compassion

By STEWART MACPHERSON

"... the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control." Paul wrote these words in his letter to the people in Galatia, almost 2000 years ago. In our time, when we are facing an undefined period of coping with Covid, after being almost free of it, kindness and compassion are surely very important.

We believe that a very important quality of a life centred in God is growth in compassion. This meaning is expressed in perhaps the most concise summary of Jesus' teaching that there is in the gospels. The verse (Luke 6:36) combines theology (what God is like) and ethics (how we are to live) in a few words; be compassionate as God is compassionate. We are told that God's primary quality is compassion; therefore, a life centred in God will be compassionate. Compassion of course means actually feeling the pain and suffering of other people as well as being moved to do what we can to alleviate it.

In Christianity, as in other faiths, we speak of the spiritual journey. This is an inner journey; it is about the heart and the soul. For Christians it is the opening of the self to the reality of the Spirit. This opening begins the process by which the self, at its deepest level, is reoriented and transformed.

The Christian life is not about pleasing God as one who admonishes and judges. It is not about believing now, or being good now, for the sake of heaven later. It is about entering a relationship in the present that begins to change everything now. Spirituality is about this process; the opening of the heart to the God of divine love who is already here.

God loves us already and has from our very beginning. The Christian life is not about believing or doing what we need to believe or do so that we can be saved. Rather, it's about seeing what is already true; that God loves us already. It is about beginning to live in this relationship. It is about becoming conscious of and intentional about a deepening relationship with God. It is about living out kindness, compassion and love in our relationships with others. Christianity's goal is not escape from this world. Christianity loves this world and seeks to change it for the better.

Jesus spoke of God this way: "Be compassionate, as God is compassionate." Compassion is the primary quality of the central figures in two of his most famous parables: the father in the parable of the Prodigal Son and the Good Samaritan.

People are essentially good. In the difficult times ahead we can be sure that we will see the very best of people in our community, as they seek to assist and support one another with kindness and compassion.

Augusta Spinners and Weavers

By MICHELLE READSHAW

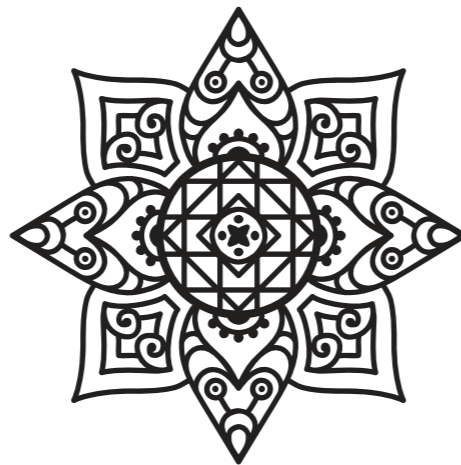

Hi everyone, this is a short article to officially welcome everyone back and congratulate the new committee who would have been elected at our AGM held on the first Tuesday of February.

By the time this edition has been published, we will have had our first social a 'Spin Out' at Lorraine's place on the 18th January.

Hopefully we will have a busy and eventful year and our planned events will be able to happen.

We meet every Tuesday 10.30am – 4pm and Thursday 7.00 pm -10pm in the club rooms at the Centennial Hall. See you there.

## Mindful Colouring

Acting with mindfulness is one of the many ways you can keep mentally healthy. Mindfulness is paying attention to the present moment with openness, curiosity and without judgement. It's not just for when you are feeling stressed or unwell, it can help any of us enjoy a more fulfilled life. Colouring can be an enjoyable way of practicing mindfulness. Colouring is good for us because it uses the part of our brain responsible for improving concentration, motor skills, problem solving and organisational skills. Enjoy some mindfulness today by colouring in this mandala. Being mentally healthy feels good!

## East Augusta Bushfire Brigade IN MEMORIAM

East Augusta Bushfire Brigade farewells two stalwart community members, Errol Rutherford Snow 5/4/1939 – 8/12/2021 and Peter Hamilton Brindley 25/3/1956 – 26/12/2021. Peter and Errol joined the brigade as volunteers in April 1991 and November 1995, respectively and officially registered with the Bushfires Board of WA (FESA/DFES) in early 1998. Peter completed his Senior Firefighting course in March 1994, and Errol completed the level 1-12 training in 2003. Peter was elected East Augusta's Fire Control Officer in April 2008 and held this position until he passed. Errol relinquished his firefighter status in July 2014 however continued to support the brigade as an auxiliary member. Errol resigned in September 2018. Peter and Errol were awarded the National Medal for Service on the 30th June 2016 for twenty-five years' service for protecting the community of East Augusta and surrounding communities in the Shire Augusta Margaret River. Both members contributed many hours of volunteer service to our community. Their infectious laughs and quick-wittedness will surely be missed. On behalf of all the East Augusta community, our condolences to our current members, Sheelagh Snow, Georgina Thiele and Jarrod Brindley, on the passing of their loved ones. Forever in our hearts

With 2022 having begun, it is a pleasure for the Mens Shed to wish all members and the people of Augusta a Happy New Year and best wishes for the year ahead.

The Shed continues to be a busy place with members working on woodwork, metalwork, art works and mechanical projects. With the Mens Shed being open for members each morning from 9.00am to 12.00pm every Monday, Wednesday, Friday and Saturday, and the Community Visitors Day each Thursday. Additional to the work times each week members can visit the Shed to play Pool each Friday morning from 11.00am. During these times the Shop is open to sell the numerous products that are produced at the Shed.

The restoration of the Ferguson TEA tractor has reached 99.9% completion. It is a credit to the dedicated men involved in the rebuild project. It will be for sale via an Auction or an Expression of Interest. The Tractor can be inspected at the Mens Shed.

Projects the Shed are working on include: setting up a car hoist to enable members to work on their vehicles, and improvement of the workshop areas.

Visitors are always welcome to visit the Shed to meet members and drop off projects they may want the Shed members to carry out for them.

Again thanks to the owners of the Augusta Bakery for your morning tea food donations.

Members are reminded that they can donate their Containers for Change, by dropping off your cans and bottles at the Mens Shed.

To find out more about the Mens Shed and its benefit to our members and the Augusta community visit the Mens Shed WA TIDY HQ website <http://ams.tidyhq.com> and or <http://ams.tidyhq.com/public/shop/products> to inspect the goods for sale at our Shop.

Taking in to account the high level of visitation regularly at the Shed and the high number of quality projects and works completed and the happy atmosphere of all people spending their time at the Shed it is obvious that members and visitors are enjoying their time at the Shed.

## Leeuwin Kids Augusta & Districts Community Childcare Vacation Care January Holiday Fun

We are super proud of the Leeuwin Kids vacation care service that we launched for the January school holidays. With receiving approval just before Christmas we opened only for pre-primary to 12yr olds, three days a week so as not to compromise the safety and quality of the service. This service has been well utilised by families and the feedback has been amazing. We hope to open the doors to younger children, five days a week in the coming school holidays.

Enrolments are open anytime, so if you wish to have all your paperwork completed for next school holidays please contact [vc@augustachildcare.org.au](mailto:vc@augustachildcare.org.au) to be sent the link.

We would love to say a massive thank you to our staff: Zoe O'Hara, Brett Menzie, Caitlin Watson, Emily Hosking, Ann Lyon and Tamara Manser who were beyond amazing and professional. Bendigo Bank for their funding and continued support, Stronger Communities Grant program for enabling us to purchase IT and office supplies, the Augusta Primary School for allowing us to lease the venue, the board for tackling all the administration as well as the amazing support of the families and our community, without you we would not have been able to deliver this fabulous service. In the words of the kids "Can we come back tomorrow?"

The Art Club thanks everyone who visited and supported our exhibition. The opening night on Friday 7th January was very busy

and there was a lovely atmosphere as visitors enjoyed a drink and canapes while they were choosing their favourite painting and china and pondering which work of art they would love to grace their walls!

china pieces tied, namely 'Pink Galah Plate', 'Fancy Abstract Flower Plate' and 'Russian Towers Tile'. Well done to Owen and Jan!

The Club thanks Carol Lyons and Bev Schroder for donating the first and second prizes for the Raffle. The first prize Ticket Number (Purple) B50 was won by Linda, and the second prize (Green) A71 was won by Fiona. Both ladies have received their paintings and are very happy.

The Saturday and Sunday saw lots of locals and holidaymakers coming to look at the art and enjoy a morning or afternoon tea. Many of you were very kind with your compliments which every member appreciates. It is gratifying to know that a lot of visitors come to spend January in Augusta every year and an important part of their holiday is attending the Art Club's Annual Exhibition.

For a lot of attendees, the choice of your favourite painting and china is very serious and a great deal of time is spent looking over every artwork before a choice is made. This year the Popular Vote for paintings was won by Owen Fletcher for his painting 'The Blackwood- Journeys End' The Popular Vote for China was won by Jan Gozzi whose 3

With the exhibition over, members are looking forward to some workshops to stimulate new skills. Sandy will be presenting a workshop on Acrylic paint pouring combined with mixed media commencing on the 18th February.

The Annual General Meeting, followed by the General Meeting will be held on the 9th February with attention to Covid safety requirements. An important item on the agenda will be choosing the 2023 Theme. I am hoping that my suggestion will win!

Visitors and prospective members are very welcome to drop in to the club on Wednesdays or Fridays between 10am and 2pm.

**Friend or Foe: Bees**

From left to right: native blue banded bee, native leaf cutter bee, wasp mimic bee, and European honey bees.

**What's that backyard buzz?**

As the weather warms up, so does the insect activity, and in February we generally see an increase in bee reports. With the spotlight shining on the recent incursion of the exotic red-dwarf honeybee (*Apis florea*) in Forrestfield WA, it is important to think about how you may be able to tell the difference between friend and foe!

WA is home to approximately 1000 species of native bees, and these bees are vastly diverse in terms of size, form, colour and how social they are. In fact, most of them look and behave extremely differently to the European honeybee, *Apis mellifera*. The majority of our native bee species are solitary and do not belong to a hive or produce marketable quantities of honey like European honeybees. Instead, after mating the female will excavate shallow burrows in soil or find small holes to nest in wood, where their larvae can feed and develop.

**Trending natives**

**Blue Banded Bees** (*Amegilla* spp.) are furry bees coloured with iridescent blue or white stripes on a glossy black abdomen, and they can range between 10-12mm in length. In Australia, carpenter bees, teddy bear bees and blue banded bees are some of the few species able to perform what's known as 'buzz pollination'. Although most flowers can release their pollen automatically, some species like tomato plants can only release pollen when its flowers are vibrated repeatedly. Buzz pollination involves bees

clamping their legs to the anther (the male part of the flower typically containing pollen) and contracting their flight muscles vigorously to release the pollen.

The amazing handywork of female **leafcutter bees** (*Megachile* spp.) can be seen as perfectly neat circles or ovals cut out of the leaves in the garden. These are carefully transported back to the singular burrow she has excavated where she will then weave them into little cradles for her eggs to hatch. These bees range from 6-15mm in length.

**Native bee resources**

Keep a look out for our beautiful native bees this summer as they are excellent pollinators, and you can attract them into your garden by making a 'bee hotel'. Type the following search terms 'DIY Bee Hotel', 'AussieBee', 'Western Australian Museum' 'or 'native bees WA' into your internet search engine for the best information.

**Get clicking!**

Spotted an unfamiliar bee and not sure if it is a friend or foe? It's always better to reach for the camera before a fly swatter! Wherever possible, aim for clear photos that show their colours and body markings. If the bee is already dead, include a pen or ruler in the photo so we can judge its size and try photographing the wing vein pattern – it's very helpful with identifications of similar looking species.

# Lower Blackwood Catchment LCDC Community Update January 2022

## Annual General Meeting 2021 - Celebrating 30 Years!

Our 2021 AGM was a special one as it marked our 30th year as an organisation. The meeting and celebrations were held at Glenarty Rd Farm to Table Restaurant with invited guests including past & present committee members, staff, and other LCDC Key Stakeholders.

Congratulations and thanks to reappointed Chairperson Tim Crimp, Treasurer Bruce Hamilton and Deputy Chairperson Tim Prosser, and a very warm welcome to newly elected committee members Rosa Glen farmer Kylie Silverthorne & Dr Laura Stocker as the WA Farmers Federation Representative.

Go to <https://lowerblackwood.com.au/what-we-do-1> for a summary presentation of our year, and to check out our 30 Years of Landcare Photobook!

## Hardy Inlet Community Update

The view from the Colour Patch made the perfect backdrop to the HARDY INLET ESTUARY FORUM held at the end of last year.

An informative range of presentations on the Estuary's health and our current HEWA farmer engagement projects showed just how much work is being done to monitor & improve the health of our water ways.

Thanks to the Department of Water & Environmental Regulation, the Healthy Estuaries WA Team, & our Lower Blackwood Project Officers for their great work.

# Proof of vaccination requirements for WA

from Monday, 31 January

**Proof of vaccination for those aged 16 and older will now be required throughout WA for:**

- Hospital & aged care visitors
- Dining at all hospitality venues
- Amusement parks & the Zoo
- Theatres, museums & cinemas
- Music festivals & major events (500+ people)
- Gyms, fitness centres & health studios
- Crown complex
- Major Stadiums
- Play centres
- Bottle shops
- Nightclubs
- Live music venues

Prepare today, download ServiceWA.

ServiceWA is a free, convenient and secure mobile application that will help Western Australians with WA's Safe Transition. It allows you to show proof of vaccination, check in at events and venues, and access your Q&Q Pass for interstate travel - all in one convenient place.

### OPPORTUNITY KNOCKS TO PROMOTE YOUR BUSINESS AND SUPPORT YOUR LOCAL PAPER

#### WANT TO BE PART OF THE PELICAN POST?

The Pelican Post will be running some additional articles around activities, new items of interest and extra editorials. If you would like to take advantage of these great new pieces and become a sponsor that promotes your business please contact us at [editor@pelicanpost.com.au](mailto:editor@pelicanpost.com.au) and let us know what connects with your business.

Some examples may be to sponsor a prize for our puzzle page, sponsor an article with our new recipes with your logo or create and sponsor a piece with your business logo.

We'd be happy to meet with you to look at the best way to promote your business while supporting your Pelican Post.
