OPEN LETTER TO THE AUGUSTA COMMUNITY

We want to update the community on the current status of the Augusta childcare proposals and address any confusion with the current steps being taken by the Shire to find a way to provide a home for a childcare service in Augusta. Councillors and Executive are fully aware of the need for childcare in Augusta and the passion behind these proposals. We genuinely understand the community's interest in seeing a childcare service up and running.

The Augusta & Districts Community Childcare's (ADCC) original approach to Council came about in October 2020 with an application for funding for a childcare centre from the COVID-19 Community Care Package 2020-21 (Economic Stimulus Grants). That resulted in further discussions between ADCC and the Shire as the request was inadequate to fulfil their vision. As a consequence, the proposals evolved into a much larger project focused on providing a building for both long day care for pre-school children and Out of School Hours/ Holiday Care for primary aged children. The Shire worked to develop detailed engineering drawings based on ADCC's vision and tender documents were drawn up accordingly. In September 2021, just eleven months after the initial approach from ADCC, Council made a decision to go to tender for the construction of a childcare centre at the Augusta Recreation Centre with a project budget of \$850K (of which \$666K was for the building's construction) and an in principle commitment to a lease with the first three years at a peppercorn rate. As many in the community will be aware, the tender prices came in significantly over budget and out of Council's reach financially. In January 2022, Council made a decision to reject the tenders and explore alternative options to support childcare in Augusta with the assistance of the State Government's South West Development Commission.

Since the beginning of the year, Shire staff have been working in good faith with ADCC to explore all available options, and this work is well underway. This has included reviewing opportunities for the purchase of a property, establishment of family day care services, consideration of alternative sites and models within Augusta and consideration of a long day care service at the Augusta Recreation Centre. To develop a report to Council the Shire relies on ADCC to provide the necessary information with regard to each of the various options. Once all the necessary information is available, Council will be able to consider their commitment to a way forward. Running in parallel with this, some further business case work is being funded by the South West Development Commission to work with ADCC to more specifically analyse the current and future childcare needs for the local community to support this and future funding applications.

We continue to hear and respect the Augusta community's advocacy for a childcare service. We wish to assure people that this potentially major investment into the community is being given serious and due consideration. Council must make a fully informed decision weighing up all available options and associated costs, and as such, a decision will be made when all the information requested is available. In the meantime, we hope the community can understand that this is a process which needs to be followed to ensure there is appropriate rigour surrounding the expenditure of ratepayer funds, and that ADCC has been a partner in this journey as we navigate the available options.

SOCK WEEK 2022

Stay safe and alert on regional roads
27 June – 2 July

#SaveOurCountryKids

Augusta CRC will be hosting **SOCK Week** from **Monday 27th June to Saturday 2nd July**. SOCK stands for 'Save Our Country Kids' and is a road safety initiative created by the Naremburn CRC. SOCK week is a week long campaign of education on road safety and the impact poor decision making can have within a small community. Facilitating a number of activities and events that are designed to be informative as well as engaging. Activities held during the week-long event promote several road safety messages such as drink driving, speeding, distractions and fatigue and is aimed at a broad cross-section of the community. The initiative aims to raise awareness, inform and educate road users as well as promote safe, legal and responsible road use. It is a significant event for our community which has a strong bond between locals and emergency services as well a huge focus on remembering those that we have lost in road accidents in our community.

Starting on **Monday 27th** @ Augusta CRC from 10am: **What is Sock Week?**
Watch the campaign video created for SOCK week and some impact statements from those affected by road tragedies (*please note: this is not an event for children)

Tuesday 28th @ Augusta CRC from 10am: **Road Safety with Sgt David Wall**
Have a cuppa with Sergeant Wall and chat about road safety and how we can all help to keep our children safe on the country roads including in our town.

Wednesday 29th @ participating Augusta shops: **Coffee Break at Local Cafes**
Purchase a coffee at your local café and part proceeds go to our local Emergency Service volunteers at St John Ambulance.

Thursday 30th @ Augusta Hotel: **Memorial Night**
Join us for a candlelight vigil to remember the kids we have lost in our community through road tragedy. This will be a very heartfelt event. Let us embrace together in loving memory and talk about how we, as a community, can help prevent tragedy in the future.

Friday 1st @ Augusta Primary School: **Fluro Friday**
The kids at Augusta Primary School will be dressing in fluro clothes for the day to raise awareness of being seen whilst using our roads. Riding a bike or walking to school is part of everyday road usage for some of our kids. We all need to remember to stay vigilant on checking roads and driveways as we pass.

Saturday 2nd @ Augusta Centennial Hall 9am to 12pm: **SOCK Community BBQ**
Join our emergency services for a morning of displays and information on road safety and enjoy a BBQ raising funds for our Augusta Volunteer Fire and Rescue, who are more often than not the first to attend a road tragedy in our rural area.

SOCIAL MEDIA FOR SMALL BUSINESS WORKSHOP

Presented by Victoria Yuen
 Delivery Method: Face to Face Workshop (the session will not be recorded)

It's overwhelming for a small business owner to know where to start and how to use social media effectively.

Victoria has been using social media to grow businesses for over 12 years, has taught 100's of people how to do it, and has been a social media manager for a number of companies.

She has found the quickest and most effective ways to create a social media strategy, content and how to automate it.

In this workshop you will learn how to:

- Set up your business accounts
- Where to find content
- How to create images
- Where and how to post and how to automate your social media

Join Victoria to get great time saving tips, techniques and hacks to grow your business using social media.

Supporting locals with cancer

River Angels is a support group for LOCAL families affected by cancer. Our volunteers undertake a range of support functions, including cooking, cleaning, ironing, babysitting and handyman chores. Basically, anything that is required. Living with cancer can place an enormous stress emotionally, physically, and financially on all families.

Over the last 10 years River Angels has assisted 80+ families. On average we support 15– 20 families per year. Each family is supported for approximately 12 months or however long is needed. We are now supporting families in Augusta whom are dealing with the effects of cancer.

WE NEED VOLUNTEERS for our AUGUSTA Families

We need volunteers to help with cooking, cleaning, gardening and handyman chores. Cooking some soup just make a little extra, have a few hours a week free to vacuum or do some dishes for someone in need. Without local volunteers we are not able to help our Augusta families.

If you need help, know of someone that could use help or would like to become a River Angel volunteer, need more information, or would like to donate, please get in contact with us. Thanking you in anticipation of your support and generosity.

Naturaliste Charters

Images by Naturaliste Charters

Naturaliste Charters are feeling blessed to have commenced another season here in Augusta for the annual Humpback migration. Tours began on Friday 20th May with sightings of a Humpback within minutes of departing the harbour.

Flinders Bay truly is a wonderful location for sighting Whales whether it be by boat or from the shore line, just keep an eye out for some blows on the water! Tours will depart daily (weather depending) from Augusta up until late August. We are excited to be seeing bookings come through not just from locals but also from guests from Singapore again.

These travellers are a vital lifeline to our region through the winter period and we can't wait to show them some of the beautiful magic that Augusta has to offer.

Shire News

Augusta Character Study

Your Say

Each place in the Shire has its own distinct character and lifestyle.

The Shire has been preparing a character study in order to identify the things that contribute to this unique character in Augusta. The first draft of the Augusta Character Study is now available for review at:

www.yoursay.amrshire.wa.gov.au/augusta-character-study

This has been informed by previous consultation with the Augusta community, who provided feedback on the built, natural and experiential qualities that contribute to the character of the town.

Feedback on the draft document can be provided online at www.yoursay.amrshire.wa.gov.au/augusta-character-study until 10 June 2022.

About ECO Destination

The Shire of Augusta Margaret River is an amazing and unique place to live, and we are seeking ECO Destination certification to demonstrate we take sustainability seriously. Together our community is caring for boodja (country) and we aspire to keep it healthy for generations to come.

What are some examples of this amazing work?

Fauna

This region is home to fascinating and beautiful creatures on land, in the water and in the air. Did you know Owl Friendly Margaret River is finding ways to protect our majestic owls from harmful rodent poisons? The Shire has committed to being Owl Friendly and you can too. Find out more at <https://owlfriendly.org.au>

Flora

The Shire lies in one of only 36 biodiversity hotspots in the world! The Shire provides funding and support to the many local conservation groups who help look after this precious environment. Feeling the call to give back too? Why not volunteer a few hours with Nature Conservation Margaret River. Contact them on 08 9757 2202 or email info@natureconservation.org.au

Sustainable Agriculture

As custodians of their farms, local farmers and viticulturalists are experimenting with ways to increase biodiversity, capture carbon, retain water, and grow the healthiest produce possible. The Shire is proud to support the amazing work being done by the Margaret River Wine Association and by Lower Blackwood Landcare to improve sustainability from the ground up.

To find out more about why we are becoming a certified ECO Destination visit www.amrshire.wa.gov.au/sustainability/eco-destination

'Art of Ealain' On Display at Cocoon Gallery

The Cocoon Gallery for Emerging Artists at the Margaret River Library is hosting an exhibition by local artist Clare Hamilton. Taking inspiration from nature, Clare likes to use a combination of things seen, remembered, or imagined and her distinctive style is illustrative, while also evoking symbolism.

When: Exhibition on display until 30 June.

Where: Margaret River Library

An afternoon with Ros Thomas

Ros wrote a weekly column for *The West Australian* with a collection of these columns 'Was it Something I Said?' resulting in a best seller by UWA Publishing. Ros's 300-word flash fiction piece 'How To Leave Your Childhood Behind' won Britain's annual STAUNCH prize. Ros has now written 'How to Shame the Devil' while caring for her mother who was diagnosed with Alzheimer's Disease. Hear all about it at this fabulous, free author talk.

When: Saturday 25 June, from 1pm to 2pm.

Where: Margaret River Library

RSVP: Online at www.amrlibraries-ros-thomas.eventbrite.com.au or call 9780 5600.

Light refreshments provided with the chance to purchase a signed copy of 'How to Shame the Devil' by Ros Thomas. All are welcome to this free, accessible event.

'Clever, entertaining, beautifully crafted, disturbing and full of humanity' – Will Yeoman, *The West Australian*

Play on the greens and the courts continues throughout the year. There must be some of you who are thinking about taking up a new fun activity. Why not give it a go!

Croquet times are Mondays and Saturdays 12.30 to 4 pm. Tennis is on Wednesdays and Saturdays from 2pm onwards. In both cases you can play for as long or as little as you like. We are a friendly and social club - we don't play "for sheep stations". We have two croquet greens, and two synthetic grass tennis courts and two hard courts. The visitor's fee is \$10, or you can join the club for the bargain price of \$80 a year, in which case the ball/green fee is \$5. For more information, please call Jan 0427 580 239 (croquet) or Murray 0408 914 863 or Louise 0439 000 810 (tennis). See you on court soon!

Seen at the Club recently –

In the grounds of the Uniting Church
68 Blackwood Ave.

Augusta community garden members welcomed Amber from Bunnings and visitors to a great morning on Thursday 28th April.

The sun came out and with the generous support from Bunnings and Amber, we were able to plant up a number of wicking beds with healthy seedlings. Additional donated pots of flowering plants were added to enhance the front area of the Community Garden. We appreciate the help from our community and our Community Garden members and now look forward hopefully to good crops in the coming months. A big thankyou to Bunnings Margaret River for their generous support.

Our Wicking Bed Workshop on Saturday the 14th May was made possible by the Department of Communities Community Gardens Grants Scheme.

Our chair Wendy Strucelj led the workshop and printed handouts were available for all participants. Discussion and a

demonstrations of a wicking bed building assisted participants to have a clearer idea of the process.

Those present were also able to get a picture of the many material options and size possibilities. We welcomed some new members and plants and produce donated by members were available for a donation on the morning. Further discussion followed during Morning tea.

On Monday mornings between 9 and 11 we meet to maintain and chat about our plans and ideas for the garden. Feel free to come along and find out more.

Leeuwin Lines

Proposed New Shed and Additions to Existing Shed

An upgrade to facilities means more hot scones from a new oven, more room to socialise, and more room to work for more members and volunteers.

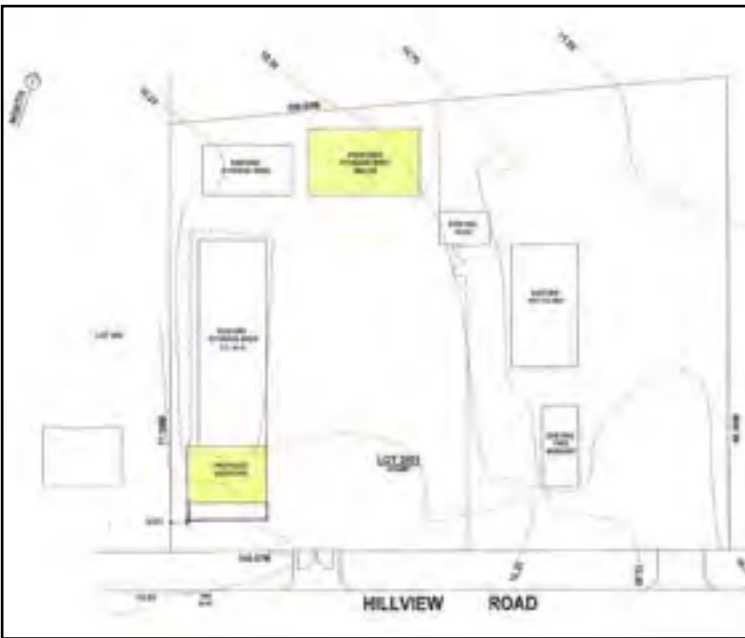

Draft plans have been circulated to all members and volunteers and discussions are well under way for all to participate in. To summarise, the plans are:

- Build an additional larger shed (20m x 12m x 4.2m high) to house the furniture sales
- On the front of the now clothes sales area, construct a meeting room, associated kitchen & canteen etc, new toilet facilities, office and verandas
- Demolish existing toilets & kitchen areas
- Relocate existing clothes, bric-a-brac, goods hire and furniture accordingly

Upon plan finalisation, work will commence on costings, building approvals, lease extensions and funding.

Unfortunately, the days of getting a few blokes together for a busy bee to pour the pad and stick a shed up have passed.

Tenders are not likely to be called before September with construction to begin hopefully shortly thereafter. It will depend on costs and availability of building supplies as to how quickly the new shed and proposed additions and upgrade of facilities to the existing shed progress to completion – in time for our next summer season would be a delight for all!

Proposed Site Plan

Proposed New Floor Plan

STS Leeuwin

Typically, Leeuwin Lions sponsor two individuals aged between 16–20 on a voyage on the Sail Training Ship Leeuwin each year, to which end Lion Mike Walker the Chairperson for Youth & Membership is seeking applicants for voyages in 2023.

The STS Leeuwin is a working ship, so during the voyage “trainee sailors” will be part of a whole heap of activities, including:

- Setting and furling the sails
- Climbing the masts and working aloft
- Standing watch while sailing through the night

Weather conditions, watch roster and ship positioning affects the schedule so there is never a dull moment. On the last full day of the voyage the command and sailing of the ship is handed over.

According to this year’s ‘sailors’ the experience was challenging and good fun as the regular crew did ‘stupid things’ to make sure the new sailors were ‘on their toes’ – the experience was recommended by all who have sailed on STS Leeuwin.

STS Leeuwin

Mini Bash turns 21

The annual mini bash held each June day long weekend is now in its 21st year of raising funds for the Royal Flying Doctor Service (RFDS).

Lions Club of Leeuwin have played an active role during all of this time contributing much time and money to this most worthwhile cause.

Again, on **Sunday 4th June** this year, Lions will be assisting to run the event, which for locals who are encouraged to join in, comprises a **car rally** over some lesser known back roads to some very interesting locations, all finished by a **fun night and auction** and raffle of goods at the Augusta Hotel.

Details are available from Lion Mike Walker (0430 111 936) or Reception Augusta Hotel (97581 944)

Augusta Community Nursery

The Augusta Community Nursery volunteers were obviously very happy with the funds donated by Lions to upgrade their nursery facilities.

This group of volunteers propagate native plants from seed in the nursery adjacent to the CDS Shed and a portion of the plants go to Leeuwin Lions for their plant stalls with the bulk being planted out by an associated group rehabilitating native vegetation along the river foreshore & Flinders Bay creek lines.

Eliz Wyber providing the theatrics whilst Wayne Prangnell gets on with the job

Upcoming Events

The Cowaramup Lions Changeover Dinner is 18th June at the Cowaramup Brewery – President Lion Jim Challis has been invited to officiate proceedings.

The Vasse Lions Changeover is planned for 20th June at Busselton Bowling Club – RSVP required & families welcome.

The Leeuwin Lions Change Over Luncheon is scheduled for Sunday 3rd July, at the Augusta Hotel – details to be confirmed.

Other

- Interesting to note the published statistics from the Lions Skin Cancer Screening in Margaret River reveal more people in Augusta availed themselves of the service – not by many though- with a very similar percentage presenting (approx 20%) that warranted further investigation.
- Lions Club of Leeuwin await a decision from the mid-year Cabinet meeting to confirm whether they are to host “Camp Quokka” at the Adventure Centre in October 2023. “Camp Quokka” is a statewide project for youth who have Type 1 Diabetes.

Sundry

Leeuwin Lions are always:

- Looking for volunteers – particularly this time of the year when the annual migration to the north occurs – no experience necessary – just make yourself known at ‘the shed’, Toy shop or Book Shop
- Wanting your newspapers – drop them into the CDS shed when dropping off your containers
- Wanting your books – drop them into the Bookshop when you go for coffee.
- Catering for the grand children with the bargains at the Toy Shop
- Looking for new members – again no experience necessary, but the ability to manage good fellowship is really important.

The sun was out, the sky was blue, and the Augusta Garden Club was off to Nannup to see the quirky gardens of 'Wombledoone'. After some pretty awful weather recently, the gods were smiling on our little band of travellers.

These gardens are something a little bit different. I don't think any of us really knew what to expect, but I have to say they didn't disappoint!

There were some amazing trees, maple, oak and a small claret ash to name just a few. They looked spectacular in their Autumn colours. Some beautiful roses were still in flower and the camellia looked amazing. The quirky sculptures and garden ornaments were the icing on the cake. If Autumn is anything to go by, Spring at 'Wombledoone' must definitely be worth a visit.

Carolyn Balding's gardening tip for June:
Alliums are good to grow with roses, they may even prevent black spot and powdery mildew and if not, they still look pretty amongst them.

Thank you to Vicki and Peter Hansen for having us, for being great hosts and giving us an informative guided tour.

Our next meeting is on 20th June at 1.30pm at the Dr John Williams Meeting Room, Leeuwin Aged Units, 194 Blackwood Avenue. We'll be having a quick meeting and then Tam from 'Deepdene Flowers' will be coming to talk to us.

Carolyn Balding's gardening tip for June:

Alliums are good to grow with roses, they may even prevent black spot and powdery mildew and if not, they still look pretty amongst them.

As well as painting and drawing in the club room, members enjoy going out and about for a spot of 'en plein air or en pleine mer' art, the arty and French terms for 'art in the open air and in the open sea'

Augusta has no shortage of beautiful places to go to enjoy a day out (hopefully in the sunshine) and paint or draw.

Painting outdoors was made famous by British artists Turner (The Fighting Temeraire), Constable (The Haywain, Dedham Lock). Both of these Masters drew their inspiration from nature, light and shadow and extremes in weather.

The French Impressionists leading member Claude Monet long practised the principles of absolute fidelity to the visual sensation from painting directly, mainly out of doors.

Many of the Impressionists drew inspiration from Monet who in turn drew some inspiration from Constable and Turner.

Club members (possibly without realising it) draw inspiration from these famous artists of bygone years when we pack our paints and stools and flasks and take off to one of these visually splendid locations in and

Owen's Sketch

Recently some club members spent a morning at Davies Park in Karridale where Owen sketched Davies Chimney, every stone by stone. We also enjoy art at the Yacht Club where Bev sketched the Paperbarks.

Bev's Sketch

Members are reminded that the Mid Year General Meeting will take place on Wednesday 8th June at 10am sharp.

We are very happy to have found a local home for the Ceramic Moulds.

MOLLOY ISLAND BIGGEST MORNING TEA HELD 6th MAY

By **RUTH COMBLEY & SUE NASH**
Images by Cathy Ziersch

What an amazing day. The weather was perfect, no wind and the sun was shining. The island was well attended by locals, people who had seen flyers, the Pelican Post or heard on the radio about our event with a chance to visit our island.

We thank everyone who attended with donations, raffles, our helpers, artists, our local radio and the Pelican Post for advertising this event. An amazing amount was raised this year \$1657.20 which exceeded last year's total and donated to Cancer Council. We look forward to next year and catching up with everyone again.

FAREWELL LEONIE & STEVE

By **BRENDAN JORDAN**
Images by Brendan Jordan

Pictured are Leonie and Steve Stone and the Augusta St John Ambulance Chairperson Brendan Jordan (he's the one in the middle) at their farewell breakfast BBQ held on Friday 13th May.

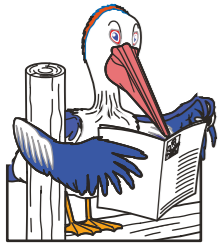

Leonie and Steve have been an integral part of the Augusta Sub Centre since their joining in February 2010, both served as members of the Sub Centre's Management Committee with Steve being the Chairperson in 2012 and 2013 and Leonie fulfilling the Secretary's role at the same time.

Steve was also the project manager for the Sub Centre's major renovations carried out during 2017.

Their expertise, dedication and commitment to both the Sub Centre and the community at large will be sorely missed.

Unfortunately the loss of Leonie and Steve coincides with two other active volunteers having to temporarily withdraw their services for personal reasons. As you can imagine the loss of these four volunteers severely depletes the Sub Centre's volunteer base as all were regular contributors to the roster. It is with this in mind that the Sub Centre invites anyone who thinks that volunteering with St John may be something they wish to pursue to contact the Chairperson on 0477 970 415 or to drop into the Sub Centre in Donovan Street (next to the hospital) on any Friday morning between 8.30am and 10am just to see what we are all about.

RECIPE OF THE MONTH

Onions (pickled)

Ingredients

- Onions
- 2 litre (2 quarts) vinegar
- 1 tablespoon cloves

Salt

- 1 tablespoon whole pepper
- 1 tablespoon mace
- 1 tablespoon allspice

Method

- Peel a quantity of small onion, put them into salt and water, and leave for 12 hours.
- Boil together the vinegar, spices and a little salt for 1 hour.
- Drain the onions, and pour the hot liquid on to them.

Recipe from the fifty sixth edition of THE CWA COOKERY BOOK AND HOUSEHOLD HINTS

By **LEANNE BAMFORD**
 Images by Leanne Bamford

CWA members were busy baking for their cake stall held on the 24th April. Thank you to everyone who came by and supported the stall and raffles outside IGA. A big thank you to the

IGA staff for all their help on the day. There were some great prizes to be won including guess the jellybeans in the jar? which was great hit with the children as well as all the "big kids" that had a go, a lucky \$50 meat voucher from our local Butcher Hank just to name a few. Special thanks must be given to donated items by two talented local artists: a painting by Laura Easton and flowers from Tamara Manser. The very tasty and famous Rocky Road made by our very own Jan Linto was so popular that she did a special order after the day for a one very happy customer!!

Augusta Men's Shed

The Shed is a place where men of all ages can drop in for a coffee and a chat with mates, play pool, or watch the big game on TV. There is a fully functioning kitchen/social room where members can make their own lunch and cater for our members' gatherings as well as run cooking classes for blokes We also have a fully equipped woodwork and metalwork shop where skilled and unskilled men can share time with each other, swap stories, and work together on projects. The shed is a place where men can learn new skills or hone old ones using good tools on interesting projects. We have a place where we can pursue hobbies, pastimes and interests.

Lot 489 Hillview Rd Augusta 6290 WA

Got feedback? Want to get involved?: augusta_acda@yahoo.com

AUGUSTA MAIN STREET COMMUNITY WORKSHOP:

ACDA will run a workshop to specifically look at options to improve pathway access and main street activation, carparking with safety improvements, and associated road design options for usability, from the Newsagent to the Medical Centre. We hope to consider the pros and cons of a shortlist of concepts and come out with a clear concept to share with the Shire. Please contact us with your ideas at augusta_acda@yahoo.com

The workshop will be at the **CENTENNIAL HALL on SUNDAY JUNE 26, at 3pm.**

TAALINUP AUGUSTA PLAN OF PLANS:

ACDA has been working towards getting better results for Augusta, working to address some of the priority projects

SKATE PARK RENOVATION:

We have started the process to design a staged skate park renovation, including resurfacing and

addition of features. Are you / your kids interested in being part of this project? Please get in contact via paintbynumbers6290@yahoo.com

STREETSCAPE PAINTED POSTS:

Local artist Nakita Kitson has completed the first few painted posts for the main street, highlighting some of the native species that can be found around Taalinup Augusta, beautifully painted on salvaged timber from Ellis St Jetty. These will start to appear around town sooooooon!

WHALE TAIL: Our collaboration with the Augusta Men's Shed to create a metal whale tail sculpture for permanent display is ticking along – engagement with the Shire for its location on the plinth at the Lions Park at Seine Bay is looking promising, and we met with the Shire's Art and Culture Reference Group in May. Our recent online survey garnered 70 responses. Approximate results indicated:

- 90% think a metal Whale Tail sculpture is ideal for the plinth at the Lion's Park
- 95% think the Whale Tail supports Taalinup Augusta's character as a biodiverse recreational area
- 17% prefer it to be rusty and not last as long (~15

we see in the area and help make the Greater Augusta area a better place to live. We can help by sending a clear collective message and being aware of what is going on in the background. To help community groups engage with the Shire and councillors regarding community priorities, it would be helpful if the community could take 20 minutes or so to complete the survey. Please check out the Plan of Plans online survey to help identify what you see as a priority for Taalinup Augusta: <https://www.surveymonkey.com/r/FV8LYFQ>

The results from this can be used as a dashboard by Community Groups, the Shire and Councillors, to assist in reviews of each goalspace periodically, and identify opportunities for the Community Groups to plan, in consultation with the Shire.

If you are interested in getting involved or spearheading any of these projects, please contact us through augusta_acda@yahoo.com - we are able to auspice community groups and projects.

We need to find a collective voice... have a think about it, and consider joining ACDA.

years), whereas 71% prefer galvanised in its finish and to last longer (30-50 years)

Further details can be found at the following link. https://www.surveymonkey.com/results/SM-f_2FydxCGweqO9o6Zf67utmw_3D_3D/paintbynumbers6290@yahoo.com

RAC TOWN TEAM

In what we hope will be a collaboration with most of the town, we have registered as RAC Town Team #99! [name TBC], which opens us up to a wealth of knowledge, guidance, networking and funding opportunities. There are free introductory placemaking courses available for registered town team volunteers – maybe it will inspire a new career! Stay tuned for what projects that develops into, and get in contact to get involved – everyone is welcome! Which one are you?

The deadline for submissions to The Pelican Post

By KATHY TRITTON

The Augusta Historical Society Inc.

Hello Everyone
On Monday 2nd May we gathered at the Historical Society meeting hall

to commemorate the beginnings of our town with the landing of the first European settlers to our area in 1830.

We usually have a dinner, but for several reasons it was not possible this year. Instead, we had a bring a plate gathering at the hall. Thank you to all those who joined us. I thought it was an enjoyable evening with tasty food, interesting conversation and a relaxed atmosphere. Ray Hart gave the Toast to Augusta and recognised those who came before us in the Historical Society and Museum. They were all volunteers dedicated to preserving and sharing our history and we continue what they started. So many names like Alf Lawrence, Frank and Beryl Watterson, Rose Watson, Doug and Gwen Miller, Beryl Gardner (100yrs and still with us), Leita Bell and many, many more. I would love to mention them all along with all our current volunteers, but I am sure I would miss someone. Volunteers are a treasure to be cherished and appreciated.

We are very lucky to have such a dedicated crew – then and now.

On Thursday 19th May we had our usual General Meeting and will not meet again until September for our AGM. At the meeting it was reported by our Memorials Keeper that the spring at the Water Wheel is short of water and may not be running over the flume and wheel. The various groups involved in the location and preservation are aware

of the situation and are looking into what can be done. Concerns passed on to us are much appreciated. On a slightly different note (but still history) – What is History? Simply what has gone before. It does not have to be momentous occasions only. It is simply before. The good, the bad and all the other fun stuff!!

Consider recording your before for those who come after. Often, we do not recognise what to preserve until it is gone. Memory is fickle and of course has many different views. Whether you write notes, a story, a book or just details on a photo, it is important to record what we can. With modern technology we often forget to record the details thinking it will always be there but so much of what we know of the past comes from others writings (diaries, letters, journals, ships logs, photos, books, etc.) and it is wonderful to go back over the simplest things as it prompts other memories and before you know it a whole story has been remembered.

My youngest brother was visiting once and was relating various family information to my eldest son. After the visit, my son came to me and said why was I hiding this information from him?! Nothing was hidden or secret, I just had not thought to tell him and of course my brother is quite a bit younger so did not necessarily have the story straight but as I had not said anything that was the only information my son had. I did not see the importance it was to him in knowledge of me and the family. I now try to reminisce about past events and record what I can, so the family have my words and views rather than someone else. Pass on those fun stories, the ridiculous situations and the sad times. It is worth it.

By KERRY GILLARD

Makuru—Season of fertility June and July

Coldest and wettest season of the year, More frequent gales and storms, Time to move inland and More food available.

The lifestyle for the Nyoongar communities during Makuru

Makuru sees the coldest and wettest time of the year come into full swing. Traditionally, this was a good time of the year to move back inland from the coast as the winds turned to the west and south bringing the cold weather, rains and occasionally snow on the peaks of the Stirling and Porongurup Ranges.

As the waterways and catchments started to fill, people were able to move about their country with ease and thus their food sources changed from sea, estuarine and lake foods to those of the lands in particular the grazing animals such as the kangaroo. As well as a food source, animals provided people with many other things. For example, 'Yongar' or kangaroos not only provided meat but also 'bookas' (animal skin cloaks that were used as the nights became much cooler). Nothing was left; even the bones and sinews were used in the manufacturing of bookas and for hunting tools such as spears.

Makuru is also a time for a lot of animals to be pairing up in preparation for breeding in the coming season. If you look carefully, you might now see pairs of 'Wardongs' (ravens) flying together. You also notice these pairs not making the

usual 'ark ark arrrrrk' that these birds are well known for when flying solo. Upon the lakes and rivers of the Southwest, you'll also start to see a large influx of the Black Swan or 'Mali' as they too prepare to nest and breed.

Flowers that will start to emerge include the blues and purples of the Blueberry Lilly (*Dianella revoluta*) and the Purple Flags (*Patersonia occidentalis*). As the season comes to a close, you should also start to notice the white flowers of the weeping peppermint (*Agonis flexuosa*) as the blues start to make way for the white and cream flowers of Djilba.

We are in need of more volunteers for our Museum Roster. If you have a few hours to spare and for more information, please contact Peta Davis on 0438 907 910 and register your interest. We would very much love to have you on our team.

ENTRY :
Adults :\$7.50 each
Seniors : \$5.50 each
Children (under 16 years) : FREE
Open 1.00 to 4.00pm daily

Images by Michelle Readshaw

In May, we all wished Lorraine a very happy special birthday. A variety of knitted sheep surrounded the cake for Lorraine to take home and add to her collection. Happy Birthday Lorraine, from all your spinner friends.

A reminder that International Knit in Public Day is on the 11th June at Jewel Cave. A fun morning for all levels of knitters with experienced people willing to lend a hand if needed. The café will be open if you wish to buy food to sustain yourself for the morning.

Hopefully on Saturday 18th June, our hall will be a hive of activity as we prepare to host our "Spin In". We are all looking forward to catching up with other spinners and knitters from around the district. The Show and Tell table is always interesting. We always look forward to seeing and learning new techniques and ideas.

Marion wishing Lorraine a very happy birthday

We meet in our club room at the Centennial Hall every Tuesday 10:30am - 4:00 pm and Thursday 7:00pm – 10:00 pm.

Molloy Island ANZAC Day Dawn Service

By KERRY GILLARD
Images by Karl Northeast and Cathy Ziersch

Over 85 people attended the inaugural ANZAC Day dawn service on Molloy Island.

Kerry Bell and Chris Cummings

A moving ceremony was led by Island Manager Brent Ziersch, with involvement by veterans, fire brigade members and Molloy Island residents. Wreaths were laid representing the Molloy Island Community and also the Molloy Island Volunteer Bush Fire Brigade. Private wreaths were also laid by Community members.

A spectacular sunrise was followed by a gunfire breakfast, cooked by the fire brigade members.

The Molloy Friday Night Men's group donated money toward the breakfast from 'containers for change' bottle collection.

Noddy Northeast and Freeda Peppy Wilson

Veteran John Matten

Colin Andrew

By *BILL PERRY*
Images by Various

The Rowers again participated in the Molloy Island morning tea in aid of raising funds for Breast Cancer, rowing the 13-kilometre round trip with the new oars. This year's theme was the colour 'Pink' which the raiding party dressed accordingly and appropriately welcomed by the Molloy Island mascot.

The raiding party were observed between rest periods & singing / chortling to the wildlife a rating of 28 strokes a minute thus enjoying the journey.

The new Macon shaped oars are being well received – the oars are longer and measured to length for each position in the boat which to

date has not had anyone fiddling with them – a big shout out thank you to all the sponsors.

The 'Pink Raiding Party' arriving at Molloy Island

The building of the Acorn 17 reached a significant milestone with the final strake being glued into position. As mentioned previously this build is being done from 'scratch' – there was no kit this time where the moulds for strakes (planks) had to be lofted from plans them cut from marine ply, shaped & scarfed – not without the odd amount of rework required!

Work has started upon the keel, sleg & stem – shaping all to fit together.

The Team celebrating the affixing of the last strake (the whisky plank!)

Denmark Community Rowing Association achieved a significant milestone in the 'turning' of their first skiff – from the photos they have done a very professional job. They'll now start on their second skiff and have received funding for trailers and launching dollies – upon their request we have provided Denmark with our learnings upon trailer dimensions etc. Hopefully, and they are talking about it, Denmark will be ready to participate in the Australia Day Regatta. We also need to be ready to participate in a raid upon Denmark for their launchings

Denmark Rowers proudly displaying the progress on their first skiff

With Phil & Chris Bairstow gradually demobilising from Dumbleyung they have generously donated a 5,000-litre water tank, that when plumbed in will hopefully minimise the amount of water carting required and amongst things, keep 'Rocket's' lawn green!

With the Augusta Yacht Club AGM brought forward to accommodate the annual migration to warmer climes and become better organised for their sailing season the Rowers will again be represented by Murray Allen, Trevor Kent & Bill Perry on the AYC Committee. Noted in the AYC Annual Report was that there are more Rower financial members than sailing members.

Those interested in rowing and /or becoming involved in wooden boat building please do not hesitate to contact (0400 750967) – interest from groups and organisations is most welcome – age, fitness or skill levels are not barriers to rowing these amazingly easy to row boats. Keep a watch on our website - - for upcoming events, check out the photo gallery on the website & Facebook, recycle your drink bottles & cans to our account – many thanks to those who donate to our account.

GIVING THANKS

By *STEWART MACPHERSON*

Prayer is a mystery. Many Christians have come to accept that they don't find prayer easy; they don't really understand what it does or can do.

There is of course good authority for finding prayer mysterious. Paul, in his letter to the Romans, says that "we don't know how to pray, or what to pray for, as we ought". We therefore depend, he says, on God's spirit to help us. If we do that then we can arrive at that place where we are truly aware of God's divine love and power. We can know that it is that love which will strengthen and enable us to deal with the pain of the world.

Too often when we pray we are simply asking for things. That is not bad in itself, especially if we are asking for the strength, the courage or the determination to seek or achieve those things. But the first and most important of our prayers should always be those of thanksgiving. We should reflect and give thanks for everything we have been so blessed to have been given. I am writing this two days before I shall have a total hip replacement. I had one last year, so I know what to expect. It is a remarkable operation which takes away

all the present pain. I give thanks for the wonderful medical services we have here, for doctors, nurses, and all the others involved in the operation and the recuperation.

The past month or so has been difficult because of the hip pain and the need to prepare for the harvest. I have not always been as good-tempered as I should be. I give thanks for my wonderful wife and daughter, who have worked with me in so many ways.

At our olive farm we are just now coming towards the end of the olive harvest. I give thanks for the abundance of the crop, brought to us by our climate here, the soil, and the rain. I give thanks for the young people we have employed to assist with the harvest. They have been a joy to work with and have been reliable, hardworking cheerful and careful. We have some wonderful olive oil as a result of their efforts and in a few months many hundreds of kilos of table olives will be ready. So my prayers will begin each day with thanksgiving, with reflection on everything good. I can ask for guidance and strength to deal with difficulties. Then I can, in faith, seek to move forward.

Augusta Wildlife Care W.A. Inc.
Rescue Rehabilitation Release of Australian Wildlife

This will be a short piece as life as a wildlife carer is pretty quiet at the moment, at least on my side of caring. The kangaroo carers are always busy as joeys are so ongoing, just like a child, you can't just send them off once you get tired of them, these joeys are with you for the long haul. I don't mind taking joeys in, but will always send them on to specialist carers.

On Thursday, 2nd of June, Augusta Wildlife will be holding a wood raffle outside IGA, thanks to the Leeuwin Lions Club of Augusta for the donation of the wood.

A huge thank you for your donations and contributions to "Cash for Cans" this month.

With regards to the Tranquilliser Gun, the Veterinary Surgeons Board has requested some more information for our application. We are dealing with that now and hope they will be satisfied with that.

I have been investigating the purchase of a Net Launcher used for netting seabirds with entanglement of fishing gear, or for any other reason they need to be caught. WA Seabird

Rescue have been using these for a while now and have been advising me of what they have found to be the best product. I will do some training with them when I am next in Perth.

Thanks for your interest in our wildlife. Please call a carer if you need help for sick, injured or orphaned wildlife, and please slow down at dusk and dawn when the kangaroos are more likely to be on the move. If you hit an animal or bird while driving, please check to see if it still alive, and remove from the road if dead. Please check the pouch of females for joeys. Never pull a joey from the teat, cut the teat off and get the baby to help asap. Keep it warm if you can.

AGM

The Augusta River Festival Inc will hold an AGM on Tuesday 28 June at 6.30 pm at the Augusta Primary School Library and all are welcome.

If you would like to know more about the Festival or being part of the committee please feel free to call Carolyn 0424 607 334 or Chantel 0416 977 927. We love questions!

Augusta's Healthy Lifestyle Program

Are you ready for the Winter Blues & Flu?
Come and join us as we discuss how to build a healthy Immune System

Sunday 26th June, 2022 11.am – 1.00pm
Augusta CWA Hall, Allnutt Tce, Augusta

Cost \$10.00 Includes cooking demonstration and healthy lunch

Bookings: Jill Walker Ph. 0407 634 695
Jenny Payne Ph. 0414 263 503

By **MARCUS DOWNEY**
Image By Marcus Downey

It has been a little while since we last reported the Augusta Men's Shed happenings. We are still a busy Men's Shed with lots of projects both large and small.

The photo this month is of Amelia Mann sitting on the fully restored 1955 Ferguson TEA20 tractor recently completed by our keen group of vehicle enthusiasts. Amelia's family purchased the tractor brand new from Nicholls & Phelps in Witchcliffe for their farm at Alexandra Bridge in 1956.

The tractor served them extremely well on the farm for most of its life until taking a well-earned rest in one of their sheds for a few years before being donated to the Augusta Men's

Shed as a restoration project in late 2020. At the Shed we stripped the tractor right down and slowly rebuilt it over nearly 18 months with lots of new and a few S/H parts, the end result was a beautifully restored tractor that looked and sounded like brand new. Amelia sat on the tractor and commented on how very happy she was to see it again and how it brought back so many memories of driving it around the farm. As a fundraising project for the Shed, the little grey 'Fergy' was reluctantly put up for sale and was sold within 2 days to an enthusiast in Perth with strong Augusta family heritage (Marshall).

Now, thanks to Ken & Silvia Cowell, the Shed has another almost identical Fergy to restore which is in the process of being stripped down ready for restoration. A couple of the committee recently attended a regional Men's Sheds of WA meeting in Dunsborough, and it was interesting to note that we are the only shed in our region currently undertaking such ambitious projects as the tractors and have such a large membership.

This is a real credit to the Augusta community and the very keen members the Shed have another sizeable project being planned at present - the Whale Tail sculpture which hopefully will be underway in the coming months. A considerable amount of design work has been done already and we are awaiting the final decisions on location and Shire approval.

The Augusta Men's Shed continues to appreciate the very kind support of the Augusta Bakery for morning tea yummys, please support the new owners as they are doing a fantastic job. Also, we continue to have some of our members excellent products they make on display for sale at the Lion's Bookshop and at our little display shop at the Shed. You can also view them online at <https://ams.tidyhq.com/public/shop/products> as well as an awesome fly-through video of the shed at our home page <https://ams.tidyhq.com>. Until next time, stay safe Augusta.

Augusta Yacht Club (Inc.) By **PETER WALLACE**

The extremely hard work of Rod Clement was acknowledged by the award of clubman of the year. Hermann Gerritsen was elected a life member of the club in recognition of years of hard work for the club.

The club held its AGM on 7th May. Sue Air (life member) stepped down from the secretary's position after decades of holding the position. Similarly long serving treasurer Rose Gerritsen has laid down the books after many years of service. The full auditorium stood and lauded their work.

A new committee and commodore was elected. Positions are as below:
Commodore Ric Edwards,
Vice commodore Rose Gerritsen,
Rear Commodore Mal Buzza,
Secretary, Peter Wallace,
Treasurer Janet Wickham,
Race Co-ordinator Ian Ladyman.

The committee is:
Sue Air, Hermann Gerritsen, Rod Clement, Bill Perry, Murray Allen, Trevor Kent and Iain Stephens.

The May AGM is being trialled for several reasons including providing time to organise next year's programming.

The results of the season's yacht racing came through just after the last PP was published. Trophies and embroidered apparel was presented to ten winners and runners up at the recent wind up.

The results of the mono hull competitions are:

Championship:

1. Big Red Dwarf skippered by Brenton Air and Alan Carson
2. Pigs Might Fly skippered by Rod Clement and Geoffrey Harrison
3. Seabird skippered by Bret Ettridge and Leanne Ettridge

Consistency:

1. F Troop skippered by Peter Compton and Murray Mc Carthy
2. Redback skippered by Ian Ladyman and Mark Heyink
3. Anitra skippered by Peter Johnston and Peta Davies

The results of the cats competitions are:

Championship:

1. Buzz Box skippered by Mal Buzza
2. Cliff Hanger skippered by Cliff Rolfe
3. Xena skippered by Iain Stephens

Cats Consistency:

1. Double Shot skippered by Ric Edwards
2. Yellow Taxi skippered by Eion Lindsay
3. Frisky skippered by Hermann Gerritsen

SCHOOL BREAKFAST CLUB

Our School Breakfast Club has been a huge success since its inception in Term 4, 2021. Breakfast Club is freely available to all students. Our aim is to improve nutrient intake and academic, social and emotional outcomes through the consumption of a healthy breakfast.

We are still seeking volunteers from across our school community to help successfully run Breakfast Club. If you, or someone you know, can assist, we would be very grateful. We are keen to create a team of volunteers to help set up, serve food, pack up and engage with the students.

As we have already seen, our Breakfast Club is a wonderful opportunity for staff and volunteers to have a positive impact on the lives of our students, so that they may connect with the local community in a warm and welcoming environment.

A huge thank you is extended to super mums, Jasmine Meagher, Kesha Dean and Melia Knapp for their assistance in the canteen. A special mention and thank you must also go to the Augusta Bakery, in particular the Nguyen family, for their continued support and very generous offer of their lovely fresh bread, made available to us daily, for the Breakfast Club.

If you are available and interested in assisting on one or more days, please contact the school or send an email to the Principal, Myles Rees, at myles.rees@education.wa.edu.au

GROUP SETTLEMENT CENTENARY

On Saturday 26 March the Margaret River & Districts Historical Society celebrated the centenary of Group Settlements in the area. Huge festivities were planned for the day, including a display of banners produced by local schools depicting group settlements in the area.

All of our students worked hard throughout Term 1 designing and creating banners for this huge community event. Each of our four classes completed a banner for the centennial celebration. Here are some photos of each class's banner (in various stages of completion). A big gold star sticker goes to our staff for

the wonderful effort to assist the students to create these beautiful banners in honour of our history and heritage.

▲ Year 3/4 students with their completed banner representing Courtney Group Settlement.

▲ Year 5/6 students, Ella Adams and Daniel Nichols proudly display their Warner Glen Group Settlement banner.

▲ The Kindergarten/Pre-primary students' Nillup Group Settlement banner is held by Eli Stewart and May Nguyen.

◀ Bryce Griffiths and Archer Crain adding the finishing touches to the Year 1/2 Kudardup Group Settlement banner.

Hello!

Karridale
Primary School News

MAKING MOTHERS' DAY

◀-R: Emily, Ginger and Blakely enjoying Jane Jasper's freshly baked scones at our Mothers' Day Breakfast.

Usually "the Dad's" love to organise our annual Mothers' Day Breakfast, but Covid had other plans this year! Thankfully, our wonderful staff stepped in, popped on their aprons and baked assorted delicious offerings including savoury croissants, quiche and beautiful scones with jam and cream. Together we truly made Mothers' Day!

The children happily took charge of the table decorations and produced pretty, paper flowers, love hearts and special messages for the mums and grandmums to read. They also made stunning artworks to brighten the walls and they really were beautiful pieces.

This event is always a happy gathering to celebrate and appreciate the mums—and all the special women in the lives of the children—at our school.

CUBBY SEASON IS HERE

Cubbies have a long tradition at our school. Cubby season is eagerly awaited by the children at Karridale Primary School every year. Our official cubby time runs during the cooler months, in Term 2 and 3, when we open up the extended bushland for the children to explore.

Cubbies are great for role-play, dramatic and fantasy play and offer a large range of developmental benefits to children including their social, cognitive and language development.

SPORT CLINICS FOR ALL

The weather was perfect for our recent AFL football clinic with Matt Chave from WA Football Commission. Plenty of sunshine and room to practice kicking and ball handling skills.

A benefit of being a small school is that all the children from Pre-primary to Year 6 could participate in the clinic.

The children also had the chance to develop their hockey skills in another clinic held at school.

◀: Will keen to put his new foody skills into play.

Lower Blackwood Catchment LCDC Community Update May 2022

Online Community Project Funding Win!

We are delighted to announce that we have commenced work on a long held plan to develop an online, sustainable agriculture community platform for the Lower Blackwood Catchment. The project has been enabled through funding from the Australian Government's Future Drought Fund's 'Networks to Build Drought Resilience'.

This project will see the development of the LBLCDC's yet to be named **Online Community Forum & Information Hub**, providing a local, interactive platform to access information, resources and communities of practice. Through it we aim to build community knowledge, skills & capacity to implement sustainable agriculture practices, and improve resilience in the face of climate change by strengthening social and community networking, support, engagement and wellbeing.

Watch this space in the coming months as we get the platform up and running!

Tackling the Pig Pest Problem on the Scott Coastal Plain

Our Feral Pig Focus project in partnership with the Lower Blackwood Vertebrate Pest Management Group (LBVPMG) is now well underway with the 2 LBVPMG Field Officers out and about running the trapping program since January.

As a reminder, the project consists of 6-month trapping blocks in strategic locations per year for three years. The trapping is supported by a monitoring program to enable us to get an idea of

population and extent of damage. The team will soon be trialling the 'Hoggone' Feral Pig Bait Box to test its effectiveness in the Scott River environment.

Key to the program is working closely with landholders in the area to ensure that pig sightings and damage are recorded to identify hot-spot areas for the field officers to focus their work. That approach has been enormously successful with the trapping team using the knowledge from those sightings and monitoring to capture a significant number of pigs since the program commencement.

Want to know more? Go to <https://lowerblackwood.com.au/feral-pig-control> AND stay tuned for a Piggy Project Update for landholders coming up in June - Date TBC

This project is supported through funding from the State Natural Resource Management Program, the Shire of Nannup, and Ent's Forestry, and is delivered through a continuing partnership with the Lower Blackwood LCDC, and the Lower Blackwood Vertebrate Pest Management Group.

Events Coming Up with the LCDC

For more details on either of these events please go to the events page on our website: www.lowerblackwood.com.au

Backyard Buddies

Your monthly guide to pests, weeds & diseases

European wasp season draws to a close

Left to Right: European wasps visiting bird bath (Jandakot), guarding nest entrance hole (Middle Swan), eating watermelon (Bibra Lake).

The European wasp 2021-22 season draws to a close with 52 nests found and destroyed.

The optimum time to detect and locate European wasps (*Vespula germanica*) has passed. Traps are being brought in for cleaning and now is the time to reflect on another fruitful surveillance season. It is also time to say thank you to everyone across WA who kept an eye out and reported!

How did we go?

Nest numbers were higher than last season; 52 compared to 14. Nest distribution indicates multiple areas of incursion across Perth, predominantly in, or around industrial areas – which is typical of this hitchhiking pest. The nests detected did not show signs of 'overwintering', which means they were created this season and is a promising indication that nests were not missed during last season's surveillance activities. YAY! Public awareness and reporting remained strong. Residents, businesses, and local government all detected wasp activity in good time, allowing for nests to be found and trapping areas expanded where required. And finally, there were no signs or reports of wasp activity at the close of the season!

Season highlights:

- 3,000+ surveillance traps deployed
- 174 new traps adopted by the community
- 400+ public enquiries, with 12 confirmed detections
- 52 nests found and destroyed, with nests found across 11 Local Government Areas incorporating 24 suburbs - all in the Perth metropolitan region.

Reporting highlights:

- wasps visiting bird baths were spotted in Jandakot and Swanbourne
- wasps feeding on watermelon at a restaurant in Bibra Lake and pet food in Ascot
- an uninvited wasp visitor to a lunchroom in Gnangara
- a nest detection at a Middle Swan winery

The surveillance season runs December to May but reports of suspect wasp activity can be made year-round. For more information about the eradication program, how to identify wasps or how you can help further, see agric.wa.gov.au/wasps or contact our Pest and Disease Information Service.
