AUGUSTA LAWN BOWLERS HEAD FOR STARDOM

A team of four Augusta Lawn Bowlers, Andrew Drayton, Gary Dial, Ken Proctor and Greg Mason make up the team that have very successfully competed in the West Australian PBL Lawn Bowls competition.

PBL is a bowls competition that can be compared to 20 twenty in cricket and is often featured on the Foxtel or Kayo bowls show. This is a fast game full of action which includes a power play allowing the team to earn double points on nominated ends. Although it is a game of triples the team can consist of four players with players being able to be subbed on or off anytime during the game.

168 teams from across W.A. nominated for the State wide competition which took place over several weeks at different venues. Of the 168 teams nominated only three divisional winners, one being Augusta, qualified to represent the state at the National title to be held at Pine Rivers, Queensland in November.

With 816 teams competing from around Australia only 16 teams will qualified for the playoffs in the National championship, one of which is our own Augusta team.

This is a great achievement for a small country bowling Club and our members are very proud of their success to date.

We wish them safe travels and continued success in the National Championship and should they proceed to the finals many will be watching the game on TV which we believe will be broadcast on Foxtel and Kayo.

GO AUGUSTA!!!

PINK UP AUGUSTA

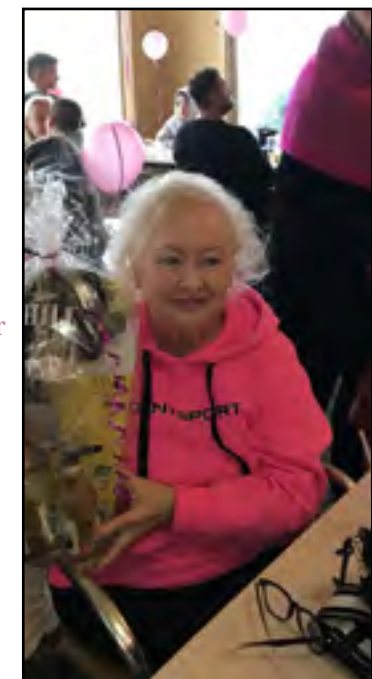

By BRONWYN PROCTOR & SHAUNAUGH BOSTON
Images by Various

On behalf of Pink Up Augusta Committee, we would like to thank the businesses that donated prizes and vouchers for our raffles and silent auctions, without you, there would have been no event. Secondly, we would like to thank all that came along and supported the "Pink Up Augusta Hotel" fundraiser held on the 1st of October. With your generous giving, the event raised more than \$6000 for the McGrath Foundation. So, thank you!!

We are fundraising to raise awareness and to ensure that no one goes through breast cancer without the care of a McGrath Breast Care Nurse. McGrath Breast Care Nurses help individuals and their families affected by breast cancer by providing invaluable physical, psychological, and emotional support from the time of diagnosis and throughout treatment.

By pinking up and helping us raise funds for this great cause you have helped contribute to the McGrath Foundation goal of 250 nurses by 2025, as they work towards ensuring that no one misses out on care.

Thank you everyone for a great successful night and your support.

CELEBRATING COMMUNITY

AUGUSTA CHILDCARE

What an amazing community - pulling together recently to raise much needed funds to support Augusta & Districts Community Childcare (ADCC). I was pleased to be able to support the event by sponsoring two tickets.

It's disappointing the Recreation Centre isn't currently on the table but I'm fully behind ADCC's efforts to find a site and my election commitment of \$100,000 still stands.

WONDERFUL WILDLIFE

Did you know the critically endangered, white-bellied frog is only found in a small area just up the road between Karridale and Witchcliffe?

It was great to join Environment Minister, Hon Reece Whitby to help release 100 of these frogs back into the wild as part of a collaborative nurturing program between Department of Biodiversity, Conservation & Attractions and Perth Zoo.

OUR PLAN FOR PLASTICS

How awesome that our Plan for Plastics is entering Stage 2. I'm proud our plan is leading the nation on phasing out single-use plastics, earning top place on the World Wildlife Fund Australia's plastics scorecard!

We've already phased out plastic bags, plates, straws and more but we're looking to go further and ban items such polystyrene packaging, cotton buds with plastic shafts, non-compostable cups, and microbeads. If you'd like one my 'keepie-cups' let us know.

HAVE YOUR SAY ON STAGE 2

- Community consultation sessions will be held online until 18 November.
- Register for a consultation session or complete the survey, at www.wa.gov.au/planforplastics.

Have you ever had a craving for more S P A C E ? Summer is coming, it's got me thinking about opening windows and letting the breeze flow through... but first - clean the windows! And now, I'll wash the dusty curtains... ah, the freshest Spring breeze. My thoughts wander to how air

travels inside my home. Air, space and light are precious to all of us - this is the backbone of my method of home organising: now I call myself "SpaceMaker".

My affection for Space started when I got practiced in letting go of items in my home, and then being extra judicious with what I allowed to enter from then on... It has made a huge difference to the spaciousness of my nest! My priority is clear: Space over Stuff (even on my calendar)!

I decided to go public with SpaceMaker to assist locals with letting go of items, and re-organising what remains. I offer several extra services, like Airbnb Blitz and the Shed Fairy! Visit www.spacemaker.net.au or on Facebook: **Spacemaker Grace**.

It's not easy. Items are connected to our identity in so many ways. It takes courage, patience and help! I wonder if we would make a good team?

Yours in Space,
Grace, Witchcliffe (0473 496 085)

Space to Breathe this Summer

By GRACE LOWRY

Cape Leeuwin Trail Planning

Representatives from the Shire of Augusta Margaret River, Augusta Trails and Interpretation Community Reference Group, the Augusta CRC and the Margaret River Busselton Tourism Association recently met with Cultural Custodians Wayne and Zac Webb and David Willcox from Common Ground Trails to undertake a walk-through of the proposed trail alignment. Agreement was reached on a number of key challenges for the trail including the alignment from Dead Finish to the lighthouse.

The next step is presentation of a report to Council outlining the proposed trail alignment, construction methodology and estimated construction costs. If endorsed by Council, applications will be submitted for the necessary environmental and Aboriginal approvals and grant funding sought for construction.

2022 Spring Show

By *SUSIE BUTCHER*
Images by Paula Higginson & Susie Butcher

Well done Augusta you pulled out all the stops for yet another stunning Spring Show. It was great to see our community out in force. Every year the show is a reminder to us all of the spirit of Augusta.

The ladies in the kitchen who were providing everyone with the morning and afternoon tea, had some great feedback on their amazing efforts and on the show.

A couple from Perth had driven down especially and had left at 6.30 in the morning to make the yearly pilgrimage. We also had visitors from Panama, Timor, Illinois, Michigan and Seattle.

By popular request we had our produce stall selling homemade jams and preserves, lots of homegrown plants and an array of fruit and vegetables at the entrance to the hall.

Thank you to Augusta Newsagency for distributing schedules and taking in the entries, the Karridale and Augusta Primary Schools for their amazing displays, and all of our raffle donors.

The first raffle prize, an Ezitip Garden Cart, was won by Amanda Flockton (Congratulations Amanda!)

And a huge heartfelt “thank you” to all the volunteers who worked incredibly hard over the weekend, and to our outstanding exhibitors, who put together the most awesome show.

Well done one and all!

to register for the workshop

COMMUNITY / COMPASSION / QUALITY / INTEGRITY / EQUITY / CURIOSITY

Augusta Works Update

The following works are to be completed in the coming months:

Blackwood Ave Shared Path

Addressing a missing link in the Augusta pathway network, the Blackwood Avenue pathway project will see a new path and parallel parking bays created in front of Augusta Bakery. These works are scheduled to occur prior to the Christmas school holidays.

Ellis Street Precinct Plan

The Shire is currently preparing a plan for Ellis Street Precinct. The plan will indicate proposed amendments to this location including upgrades to roads and parking, landscaping, revegetation and public seating.

This work is linked to a high level review of the Shire's 2011 Boating Strategy, also to be conducted this financial year. The draft plan will be released for public comment once prepared.

Road Re-seals

The second stage of sealing works on Leeuwin Road are scheduled for October 2022 and Hillview Road is scheduled to be re-sealed prior to Christmas. Matthews and Jane Road are scheduled for re-sealing from January to February 2023.

To find out more about these works, contact the Shire's Works Coordinator Phillip Lantzke on **0437 516 338** or email plantzke@amrshire.wa.gov.au

Toddler Tales at Augusta Library

Discover some of the essentials of cyber safety, like how to create and remember strong passwords, spot common scams like phishing scams, safely download documents including PDF files, as well as run antivirus software.

Wednesday 23rd November, 10am to 11.30am,
Augusta Council Chambers

Staff Profile

Garth Baxter

Ranger

What does a typical day at work look like?

The typical day begins with checking in with the ranger team via phone or the central control point. From there we obtain the daily run sheets or tasks.

The work is varied and involves some of the following tasks, which can happen all in one day:

- Illegal campers
- Wandering dogs/ dog attacks
- Parking patrol and education/enforcement where required
- Shark Attacks
- Fire breaks inspections
- Community Education

What is the best part of your job?

How varied the job is, every day is different. I also love being able to get out and about and meet members of the community.

What do you love most about Augusta?

How remote of a location the area feels. The river, offshore islands, and the vast expanse of East Augusta are incredible. I can only imagine what it was like being dropped off here in 1830!

Fight the Bite

Buzz Buzz don't let the hum of a mosquito stop you, Fight the Bite, by covering up, cleaning up and using a repellent to protect against this mosquito season!

LIONS HELP IN FIGHT AGAINST CANCER

During the month of October

Leeuwin Lions have been highly active helping organisations raise funds in the fight against cancer. Some of the many activities it has been involved in are as follows,

PINK UP AUGUSTA

Fundraising for the McGrath Foundation with its massive support for breast cancer sufferers has been ongoing during the month. Lions have provided plant and equipment and manpower to assist the sterling efforts of Shaunaugh Boston, Manager of the Augusta Hotel, and her wonderful team of staff and volunteers carry out a major function and numerous smaller initiatives to keep funds rolling in until the end of October 2022.

Pictures of Hotel, staff and volunteers by Shaunaugh

RIDE FOR CHILDHOOD LEUKEMIA AND CANCER RESEARCH

Lions hosted a group of 27 people comprising 17 riders and support staff at the Augusta Hotel on Saturday 15th October at the end of their annual ride from Perth to Augusta.

Lion Mike Walker took care of arrangements for accommodation, food and refreshments and reported that all had an enjoyable evening.

On behalf of Lions, Mike presented a cheque for \$2,500, making the total for the ride close to \$50,000.

It was great result for the weary riders, some of whom have taken part in all 21 fundraising rides. In all over the 21 years they have raised a total of over 1m dollars.

SUPER KIDS, SUPER HEROES

With drums banging and whistles blowing an intrepid group of Super Kids, Super Heroes announced their arrival in town.

Of the 38 in the travelling party, about 15 took on the roles of Super Heroes, donning the costumes of Superman, Batman, Spiderman etc to captivate the attention of the children at the primary schools they called at along the way.

The trek on motorised scooters began at the Children's Hospital in Perth and wound its way south through a number of towns on the journey to Augusta. Notable among the schools they called at were Margaret Independent School, and Karridale and Augusta primary schools.

Again, Lion Mike Walker on behalf of Leeuwin Lions hosted the group for lunch at the Augusta Hotel before handing over a cheque for \$1500.

Simon Kane from the Super Heroes, himself an affected parent, spoke in grateful terms as to what this type of support meant for the brave Super Kids facing the trials of cancer some of which so sadly is terminal.

Then on a more positive note, to the sounds of whistles and trumpets they left to complete the journey via Pemberton, Manjimup and finally Bridgetown.

The tremendous effort by all involved raised almost \$80,000.

SALVO'S TOY RUN

The Lions Club of Leeuwin have been pleased to have hosted all riders for a big breakfast as part of the annual fundraiser for the Salvation Army over the past 21 years.

Held at the Lions Shed in Hillview Road the proceeds from the breakfast have contributed around \$2,000 every year to this major fundraising effort.

Details of the ride are listed below and all those interested in taking part should contact the organisers as soon as possible.

Enjoy the ride whilst fundraising for a most worthwhile cause.

LET'S CELEBRATE

Do you know someone in the local area that has a birthday coming up? An important anniversary? Or a newborn baby? Drop us a line and send in a photo to editor@pelicanpost.com.au and we will publish it for free and help you celebrate.

Roller Skating Workshop and Disco

By *RACHUEL KNAPINSKI*
Images by Rachuel Knapinski

Thanks to the Department of Communities, the CRC was able to offer free Roller Skating workshops and a Roller Disco to Augusta residents as part of a Covid 19 Youth Recovery Program.

The workshops and disco were facilitated by Jacque and Keisha from Concrete Club in collaboration with the CRC. These events were an absolute hit. Our first workshop on Saturday Sept 24th we had 14 attendees including a few teenage boys and also mums and dads joined in on the fun too. Jacque taught us some great skills to learn or enhance our skills on wheels. Sometimes making it look way too easy but also giving individuals the opportunity to learn at their own pace and skill.

The following week on Saturday 1st Oct our numbers lifted to 19 attendees with a few more parents and again a number of the targeted age group of youth between 12 and 25. I was very pleased to see people of all ages joining in on the fun of these workshops.

With both workshops successfully out of the way it was then the Disco night that brought in the crowds. Spooky Sparkles Roller Disco had everyone joining in from the age of 4 up to our oldest roller skater at 54 years old. It was such a fun and inclusive night of spooky skeletons, glow sticks, glittery outfits and a few lollipops to keep the energy levels high. Thank you immensely to:

Jacque and Keisha from Concrete Club, we are looking forward to seeing more of you both rolling the streets in Augusta really soon.

Department of Communities for the opportunity to host these events for our Augusta youth, which in turn brings our community together in a fun and inclusive way, no matter what our age.

Seb at the Augusta Margaret River Recreation Centre for all your assistance in helping facilitate us.

Expression of Interest – Traineeship 2023 Excellent opportunity

Expressions of Interest are being sought for a Traineeship position with the Augusta Community Resource Centre, starting in February 2023.

Expected hours of work will be between 9.00am – 3.00 pm Monday to Friday however, these hours may vary. The traineeship offered will be under contract for 12 months and will involve;

- Undertake a Certificate II or III in Information, Digital Media and Technology ICT20115 or a similar credential
- The role is varied and includes learning project and event digital media skills
- General administration duties
- Front desk customer service and reception
- Communication and teamwork
- Learning specific aspects for bookings, functions and community events.

Support will be provided on site and in conjunction with the chosen Certificate Key competencies required:

- Good written and verbal English skills
- Excellent communication and relationship building skills
- Sound computer skills – MS Office
- A willingness and ability to follow direction
- Ability to work well within a small team
- WA Driver's License and reliable vehicle are highly desirable

To register your interest please email or post a cover letter and resume to:

Attn: Project Officer
Augusta Community Resource Centre
P O Box 269, Augusta WA 6290
admin@augustacrc.net.au

As per DPIRD requirements, former trainees of the ACRC are not eligible to apply for this position

Wow! We all had a great day at the Augusta Community Garden Mental Health Open Day held on Saturday 15th October to acknowledge Mental Health Awareness Week. The weather was kind. Lots of people came along to participate in activities during the day, and if they enjoyed it half as much as we did, then we can claim the day was enjoyed by all!

Raffle prizes

The raffle was drawn on Saturday. All prizes have been claimed. The winning tickets were 1st: Purple D 90; 2nd: Orange D 43; 3rd: Orange D 94; 4th: Green D 94; and 5th: Purple D 61. Congratulations to the winners.

Thank you to all who came along and shared in the day. We would like to thank Department of Communities – Community Gardens Grants Program for their support. Thanks also for the generous support from activities leaders, donors, and everyone who provided items or time to help make a successful day.

Raw tiles made at Tile Making on Open Day are ready to be fired

During the last school holidays, the Garden received a visit from a group of children from Leeuwin Kids Vacation Care. The children helped plant strawberry plants, radish and bean seeds in the garden and potted some cuttings to take home.

The Strawberries planted by our little helpers are growing well

The new shelter in the rear garden has been installed. Thank you, Dave and Austin.

Reminder: A General Meeting and AGM is to be held on Monday 7th November 2022 at 11am in the Uniting Church. We invite all current members and new members to attend the meeting and stay for a cuppa and sandwiches afterwards.

Monday Morning Mini Market is proving to be popular. Open 9.30 to 10.30ish. Early bird catches the worm! Come along for some fresh produce.

Enquiries: Ph: 0400 023 721 or visit the Garden at 68 Blackwood Ave, on Monday mornings.

DID YOU KNOW?

Bowls historians believe that the game developed from the Egyptians. One of their pastimes was to play skittles with round stones. This has been determined by artefacts found in tombs dating back to circa 5000 BC. The sport spread across the world and took on a variety of forms – Bocce (Italian), Bolla (Saxon), Bolle (Danish), Boules (French) and Ula Miaka (Polynesian).

Augusta's Beach Clean-up 2022

By JENNY KIKEROS
Images by Jenny Kikeros

A very big thank you to everyone who came along and gave our beautiful coastline a spring clean on Saturday 15th October. Twenty-six volunteers combed the coast from Skippy Rock to The Blackwood River mouth. Age is no barrier. We are never too old or young to join in and have some fun and make a difference. 39.5 kilograms of debris was removed from our beaches.

One change we have noticed over the years is the increasing amounts of plastic and 'nurdles' that are washing onto beaches. Nurdles are small plastic pellets (less than 5mm in length) that are used to create most plastic items from plastic bottles to car parts. This year a number were collected from Quarry Bay and Skippy Rock. Being so small they are ingested by fish and birds.

Some other items that were collected: fireworks, a mystery metal item which is possibly a gas canister (from another country), 67 pieces of rope and net scraps, 40 metres of rope, 15 pieces of foam buoy, 20 pieces of foam insulation and packaging, 36 lids and tops (including tops from Indonesia and China), 60 pieces of broken glass, 42 pieces of plastic bag, 7 items of clothing, fishing line, ceramics, wood, pieces of straw, confection sticks, cups, plates and cutlery.

The debris collected has been analysed and added into the Australian Marine Debris Database. With this information trends can be observed, changes noted, and source reduction plans introduced. Thank you Jaquie for helping with the sorting and counting of the debris.

Thank you to everyone who joined in and to all our wonderful community members who collect debris along our coast throughout the year. You are making a big difference and helping Augusta stay the beautiful and healthy place it is.

Hope to see you next year

Red Hatters

By ELAINE HOLMES
Images by Elaine Holmes

West Australian Red Hatters (120 of them) headed south to Augusta on Friday to join with the Red Herrings of Leeuwin for an absolute blast of a long weekend. We started with a Friday night dinner at the Colourpatch Restaurant. Awesome.

Saturday saw lots of groups out and about in the town and wider area exploring. Saturday night we all gathered at the Augusta Hotel for the Gala night. Lots of fun was had.

Sunday mornings breakfast was at the Augusta Bowling Club where the locals fed us with bacon and egg rolls and platters of fruit. We then worked breaky off playing barefoot bowls – the local men were extremely helpful trying to teach us.

More exploring to be had followed by an unofficial dinner at the pub. We had a 'D' themed dress up. Everyone put in such an amazing effort. Music was cranking early and another awesome night was had. Thank you to all the staff at the Augusta Hotel. Monday morning saw us loading up our cars and then heading to Molloy Island for a high tea. We had to take our cars over on the barge – a novel experience for city girls! What a beautiful place it was.

RED HATTERS TURN BOWLING GREEN PURPLE AND RED

By KAY CHALLIS
Images by Kay Challis

125 Red Hatters gathered at the Augusta Bowling Club on Sunday 16th October where they were served a superb champagne breakfast as part of their State wide Red Hatters convention.

Once fully replete they converged onto the bowling green to try their hand at rolling a bowl.

Roll the bowls they did, though often not in the intended direction and there was much scampering across the rinks to retrieve errant bowls as well as many swimmers in the ditch.

However the merriment and laughter amidst squeals of delight, or frustration, proved that all had a great time and overall the event was voted a huge success.

We hope that one day they will return for a repeat performance by which time our local members and coaches should be fully recovered from this overwhelming experience!!

Many, many thanks to the Red Hat Ladies of Augusta and Molloy and all the locals for being friendly and very helpful to us all. We were quite sad to leave, but I am sure many will return to explore further.

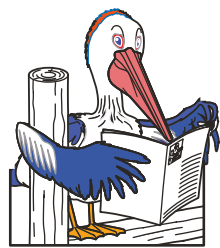

Special thanks to Ruth and Sue for all their excellent organising skills – was a fabulous weekend.

DID YOU KNOW?

The oldest green still played on is at Southampton, England. Records show that the green has been in operation since 1299 A.D. There are other claims of greens being in use before that time, but these are unsubstantiated by proper or sufficient documentation.

Goodbye windy, wet October. Let us hope November will bring in some sunshine.

October will finish with several events regarding our Dutch connection.

Hope to see you on Sunday 30th at the Cape Leeuwin Lighthouse for the "Leeuwin 400" event. This commemorates one of our earliest connections with the Dutch (March 1622).

For those who managed to obtain tickets to the Bill Bunbury talk – Enjoy! Bill has spoken at some of our society meetings (some time ago now) and I found him to be an interesting and knowledgeable speaker with a bit of fun thrown in.

Interestingly, it is also 80 Years of Diplomatic Relations between the Netherlands and Australia.

I can see why people often comment about the tapestry of life. So much is interwoven to make up the whole story. Small events can have a more lasting impact than larger ones. That is why it is important to record things as they happen – let the future decide what they want to know but make sure they have all the information.

At our meeting on Thursday 20th October, Peta and

Graeme Davis were presented with Life Member certificates. It simply states In Appreciation – this is a way of saying they have done so much individually and together that I could not find the words!

We also recognised the works of Jan White (previous Keeper of the Memorials) and Noeline Williams (previous Librarian). Both ladies are moving on for various reasons. Jan has done an amazing job staying on top of the various memorials we have around the area and has set up a group of individuals who are now helping with this as well as putting together a written record for the people following in her footsteps.

Noeline has organised, cleaned up, recorded and streamlined our library which was quite a feat – ably assisted by Jan. We wish both ladies well for the future.

We also remembered Beryl Gardner – a long time resident of Augusta and Historical Society member, past President and Life Member. Helen McKenzie read excerpts from one of our papers written by Beryl where she recounts some of her experiences as a teacher. Also, Graeme Davis and Ray Hart recounted some of their memories of times in the museum and society meetings with Beryl. A very special lady.

Next Meeting: Thursday 17th November at 7pm

By MORVEN HANSEN
Image by Morven Hansen

Art Club members gathered together on the 7th October to celebrate Julie Westbrook's significant birthday. Julie and

Ian live in Bunbury now and we don't get to see them as much as we would like so it was very special occasion indeed. Julie is a terrific artist and her big and bold paintings are very popular at the exhibition.

Celebrating Julie's Birthday in the Club room

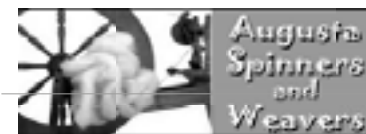

Bev's current mixed media workshop continues and the artworks are coming along very nicely. However

due to scheduling interruptions it may take a bit longer to complete. One interruption occurs (at the time of writing) tomorrow as we will spend the day at the Adventure Centre where Susan and I will present some art activities which are a bit different, but hopefully enjoyable.

Members are reminded that the November Art Club meeting will take place on Wednesday 9th November and you must have your exhibition lists to Wendy by that date.

The 2023 Art Club Exhibition dates are from Friday 6th January to Sunday 8th January 2023 and the Theme Paintings will be based on 'Urban Landscapes' The club will hold a Bric-a-brac sale in the clubroom on Saturday 19th November from 9am to 1pm, so come along and you may find a bargain or two and perhaps some Christmas gifts for friends.

Recently the club has welcomed a couple of new members, and hopefully I will be able to write a little profile on them for next month.

By MICHELLE READSHAW
Images by Michelle Readshaw

Thank you to the Bunbury group for a lovely day of friendship and spinning on Wednesday the 12th October. It was interesting to see the variety of spinning wheels being used and the items that were displayed on the show and tell table.

We were also fortunate that the exhibition hall next door had a great array of items on display, showing the talents of the people who use the arts centre building. The Bunbury spinners had an impressive showing of their work, as did the weavers, knitters, painters, potters and other arts.

The photos in this article show some of the styles of spinning wheels that are used by the Bunbury group. Members are getting items together for the Spring Show and the room will be set up ready for the display. As usual we look forward to seeing all the creative items on display. By the time this article is published the spring show will have been and gone and we are looking forward to hearing the results.

Our end of year get together is to be at Deepdene Café (Jewel Cave). More information will be displayed on the board in our club rooms when the final details are sorted. Melbourne Cup lunch and a sweep will be held on Tuesday November 1st in our club room followed by our monthly meeting. Good luck to you all.

We meet in our club room at the Centennial Hall every Tuesday 10:30am - 4:00 pm and Thursday 7:00pm – 10:00 pm.

Baines wheel, a traditional Ashford and a Joy folder that is easy to transport

Two Ashford traveller uprights, very compact and are folded into carry bags for easy transport

Garden Gossip

By SUSIE BUTCHER

Our next visit is on Monday 21st November at 1.30pm at Paul & Paula Higginson's place at 16 Wishart Road Flinders. Steve Wood will also be coming along for a chat so make sure you have your questions ready.

Margaret Martin's gardening tip for November:

In Spring when all the moths move in on the brassicas, smear a little Vicks Vapour Rub under the leaves every few days. I was still picking cauliflowers last year with no caterpillars in them until late December.

BOWLS LINGO

- Head – the collective term for the bowls that have come to rest after being delivered
- Back bowl – a bowl that comes to rest beyond the jack and at the back of the 'head'
- Blocker – a bowl that blocks the path of the intended target
- Foot fault – when a bowler does not place their foot on or over the mat at delivery
- Lead – the person who begins play for a team at each end by placing the mat and rolling the jack
- Skipper – the team captain or 'skip' always plays last and is usually the most experienced player
- Touchers – bowls that hit the jack are marked with chalk and remain alive even if they are in the ditch

Yet another busy month for our members who baked up a storm and held a cake and raffle stall outside IGA. Lots of fun was had by all. At one stage three of our ladies were singing to spruik our stall on social media. A big thank you to the staff at IGA for assisting us with setting up we would have been lost without you all. To everyone who popped down and supported CWA Augusta your generosity was greatly appreciated.

Tania Tebbutt was a winner of one of the Raffle prizes pictured with Alice Willis

At this month's meeting the ladies of CWA Augusta were very excited to welcome two new members Melanie Rogers and Diane Burnett - we are all so delighted to have them join us. Lots of great conversation was had and one of our long term members Pamela entertained us over a cuppa

and afternoon tea with a snap shot of her life and an amazing career.

The members are busy knitting and crocheting poppies together with many other craft and sewing groups in town to decorate for Remembrance Day service day this year, it is wonderful to see the whole community

Linda Zefferts with some of her knitted poppies for Remembrance Day

pitching in for such an important occasion, as well one of our members Beryl Teagan also made two crocheted blankets which have been donated to the Augusta hospital.

PROJECT CARE

CWA Augusta would like to thank you for the continued support in helping with project-care hampers. We thank IGA Augusta, the community of Augusta and surrounds and the Lions of Leeuwin for this last month. You will find the box for non perishable items inside IGA.

If you are interested in learning more about CWA please join us at our monthly meeting held on the 1st Wednesday of the month at 1.30pm or contact us cwainaugusta@gmail.com Come to our hall and have a cuppa and meet our members.

HALL HIRE

For your next gathering or for a regular booking please contact us email cwainaugusta@gmail.com

COOKBOOKS

CWA Cook books and merchandise are available for sale please contact us cwainaugusta@gmail.com or Leanne 040028442.

Images by Various

The Augusta Rowers have come to the attention of the Margaret River Busselton Tourist Association (MRBTA) who want to do a photo shoot on the Blackwood for an upcoming article in their magazine upon Augusta – the photoshoot is pencilled in during the period 1st -4th November. The MRBTA have been made aware of the skiff building projects to which they have registered their interest – details to come for the photoshoot closer to the date & hopefully we'll get good weather.

Rowing activities are again increasing with people returning home from their winter expeditions, increasing daylight and improving warmer weather. Noticeable during the morning rows has been the lack of dolphin sightings let alone any interaction as in the past – hopefully they will return shortly as the fresh water coming down the river abates.

All life jackets have had an annual inspection as all the adult lifejackets are of the manual inflation type. During this process we have become aware that many members are not familiar with the inspection & inflation of the jackets. To this end a session will be organised in the near future where a jacket will be activated inflated – possibly following the AGM.

Two children's & two youth size life jackets that do not require inflating and have the head support already in place have been purchased. These are quite different from the adult inflation type in that new jackets are a vest type & yellow in colour. The children's size jacket for 20 - 40kgs body mass is for 6 to 10 year old's and the youth size is for 40 – 80kgs body mass. The adult inflatable life jackets are for 40 kgs & above body mass.

Additionally 6 fenders of the inflatable tear drop shape, have been purchased which are of a type that will double as buoys / turning marks for regatta etc.

At the time of writing, preparations are underway for the Leeuwin 400 where the Rowers will have the skiffs on display and planning to have some 'hands on knot tying' and other nautical rope skills.

Other upcoming events for the diary –

- Saturday 5th November – Launch of Denmark Skiffs – parade & festivities commence at 12:00 – Sundowner at 5:30pm – flyers are in your 'email inbox'.
- Weekend of 11-13th November – ANA rowers visit to row our skiffs – first row 8:30am on Saturday 12th from the clubhouse – currently 9 ANA rowers coming, and plans are flexible
- Friday 25th November – Our AGM at 5 pm, AYC Clubhouse, followed by drinks & nibbles
- Sunday December 11th – Delivering of Father Xmas to Christmas Carols which are commencing at 4pm – this a change from the traditional Friday evening timeslot and can someone order up a nice balmy afternoon/evening!
- Saturday 28th January – Augusta Skiffs Regatta / Margs Cup

Photos of a "Chesapeake Pram"

Yet to be advised, but somewhere in the above will be the launching of the Nannup Skiff built by the Nannup Men's Shed. The building of the Acorn continues, currently fitting the thwarts(seats), once these are in place gunnels and floorboards will follow - and then it's the big clean up and sand for painting / varnishing.

The question is being asked 'what next?' particularly by some of the wives of the builders. Being discussed at present is the building of two smaller boats – one of least being what is known as a 'pram dinghy' which can be fitted with a sail or just rowed. Very often these dinghies are used as tenders and can be transported as a car topper or on a conventional box trailer. The plan is that this dinghy be raffled as a fund raiser.

The building of the pram is relatively straight forward because of its size & "stitch & glue" construction, however, there will not be enough tasks for all to contribute. Just as a matter of interest, whilst the number of builders fluctuate, last week there were 10 builders for morning tea! Accordingly the builders are considering a more complex 10ft sail / rowing dinghy in addition to the pram dinghy that will take an adult & child either sailing, rowing, or fitting of a small outboard for fishing on the estuary. Again this build would act as a fund raiser.

Those interested in rowing and /or becoming involved in wooden boat building, contact us (0400 750967) – interest from groups and organisations is most welcome – age, fitness or skill levels are not barriers to rowing these amazingly easy to row boats. Check out the photo gallery on the website (augustarowers.org.au) & Facebook, recycle your drink bottles & cans to our account – many thanks to those who donate their drink refunds to our account.

Notice of Annual General Meeting

Friday 25th November
at 5:00pm

AYC Clubhouse

LAUNDRY HINTS, SOAPS AND PASTES

To whiten a handkerchief –
If, when washed, your white handkerchiefs are not a good colour, add a little peroxide of hydrogen to the last rinsing water. It will remove fruit stains, and make the fabric snowy white.

(RECIPE AND LAUNDRY HINTS, SOAPS AND PASTES FROM THE CWA COOKERY BOOK AND HOUSEHOLD HINTS FIFTY FIFTH EDITION)

Augusta Wildlife Care W.A. Inc.
Rescue Rehabilitation Release of Australian Wildlife

The release of Australia State of Environment Report 2021 (SoE Report 2021) has

raised national attention to the state of crisis in our native environment.

Australia's unique ecosystems hold the greatest number of endemic species on the planet, yet with 53% of species listed as Endangered or Critically Endangered, and 21% of mammals assessed as Threatened, this may not be the case for long.

Australian native wildlife and their habitats are being lost in unprecedented numbers each year, with threats coming from development, climate change and forestry practices. Since 2000, an estimated 7.7 million hectares of threatened species habitat has been cleared, an area bigger than the size of Tasmania, with 90% never having been assessed by the Environment Protection and Biodiversity Conservation Act.

An estimated 3 billion animals were killed or displaced during the Black Summer Bushfires alone, an extreme event linked to climate change. The quality of our soil, air and water are deteriorating, and according to projected models, we will be on this trajectory for years to come, despite efforts made today.

This month of November 2022, the world population will reach 8 billion. Every one of us relies on the Earth's resources, however humans are capable of a conscious shift.

For help with injured or orphan native wildlife in Augusta surrounding areas please call licensed wildlife carers Kerry on 0437 200 605 or Dave on 0417 171 802. Donations are much appreciated. Bank details are Augusta Bendigo Bank BSB 633 000 Account number 187 299 052. For more information please contact us at awcwainc63@gmail.com

The 2022 Augusta Yacht Club Sailing season is open, and what a huge way to celebrate it. The clubhouse, the grounds, the beach, the yachts and the people were all on show today.

The Clubhouse

It started out drizzling, but by 1100hrs it was really drizzling, perfect time to shift everyone in to the clubhouse for the welcome to the AYC 2022 sailing season. Led by our new Commodore Ric Edwards, who thanked the crowd for joining him for opening day. There were many AYC Life members present, Ivy Meagher, Dennis Meagher, Murray Macarthur, Sandra Rose, Brenton and Sue Air and Herman Gerritsen.

Ric also made mention of the passing of one of our all time favourite Life Members, Helene Broz. Both Helene and Ivy both sailed and helped to form the AYC as it is today. Helene's last race was on MRJ, a Hartley 16, skippered by Ray Wakelin, in 2005, which they won. She was 72 years old. Helene and Ivy were stalwarts of the club for many years and we were so happy to have Ivy here for the start of the season.

Next Ric introduced Sandra Rose, another one of our AYC gems, she was the treasurer and the secretary whilst sailing a GP14 with her sister Peta, and later on with Dennis on "Patara". You could see how much the honour bestowed upon her to open the 2022 sailing club season, meant. Needless to say, she did it admirably.

With all the ceremony complete, it stopped drizzling, then the sun came out, just a typical spring day in Augusta. It was time for lunch out on the new deck, finger food, and there was lots to choose from. This year, Leanne's curried egg sandwiches won. You have set the bar high Leanne.

Then it was time to go sailing. In the end there were five monohulls and ten multihulls all vying for position on the start line, Cliff Owen and his gang of rowers timed the start to perfection and set the fleet on their way.

The racing was tight in very fluky 8kn breeze. Redback led the way in the monohulls with the others fighting for second and third over of the course. It made for really good racing.

Evan 1st prize

There was lots of overtaking and tactics happening in the multihulls. Xena slipped out to a nice lead followed by Seasaw and Buzz

Box with our new junior sailor, Evan, onboard. The

rest of the fleet, produced some fantastic racing all the way to the line. It was so good to have Leanne out there again on Serious Lee. The second race for the multihulls was on a slightly shorter course and in a steady 10kn breeze. Buzz box skipped out to lead and easily took the honors.

It was a perfect day to start the AYC sailing season, an awesome turnout, great food and wind to suit all.

On the next Sunday, both classes started together and with the very testing breeze, all the lighter multihulls cleared out from the monohulls. Buzz Box had the lead and was looking the goods. The fleet was packed tight, there was a crash at the bottom mark, and a couple of capsizes which spread them all out. The tussle to the finish was epic, the first three yachts finishing within a minute of each other.

Redback led the charge of the monohulls, but with the tide being so low she was touching bottom in parts of the course. As the race continued the breeze picked up which allowed Pigs Might Fly to have just a sniff. On the turn for home she had the better boat speed to have her crossing the line one second in front of her arch rival, Redback.

The start of the second race for the multihulls was hotly contested. Cliff Hanger showing good form by picking the breeze to bits. Xena and Catatonic were fighting to the end and the rest of the fleet all coming in not long after.

A day of great sailing was had by all. Thanks as usual must go to the start crew Rose, Sue and Peter and Lance on the rescue boat.

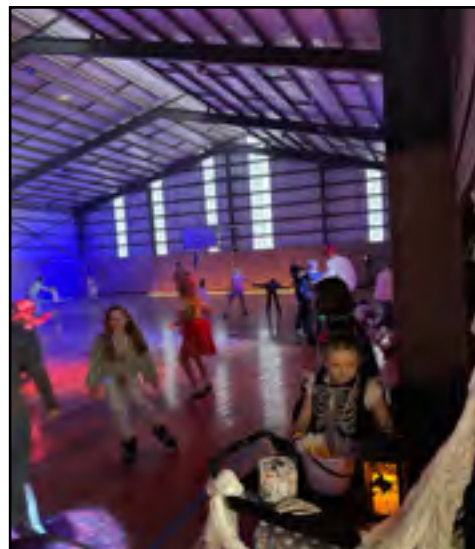

Results: Monohulls:	
1st Redback	1st Pigs Might fly
2nd Pigs Might Fly	2nd Redback
3rd Seabird	

Results: Multihulls:		
1st Xena	1st Buzz Box	1st Cliff Hanger
2nd Seasaw	2nd Cliff Hanger	2nd Xena
3rd Buzz Box	3rd Serious Lee	3rd Catatonic

FAREWELL JAN WHITE

After many years of tireless community work in the Taalinup Augusta area, and an indefatigable voice for the long term projects we also advocate for, we are saddened that Jan White will relocate to Busselton as she relaxes her life a little. We wish Jan a fulfilling community life there.

LEEWIN400 COMMUNITY DAY

Thanks to everyone who will be coming along and contributing to a great day at the lighthouse precinct! Special thanks to Paul Sofilas, Rach Knapinski and Rebecca Young for making it all come together!

SKATE PARK RENOVATION PROJECT

After a rollicking day at the skate park, with incredible demos from Aaron Nannup and crew, we have gathered all the intel and will make a case to the shire and council to support the renovation project. Thanks to all who came along to brainstorm and join the fun, and special thanks to the BMX crew for riffing with us.

VOLUNTEERS BBQ X CHAMPAGNE CROQUET

The annual volunteers bbq will take place at the Augusta Tennis and Croquet club at 4pm on Friday December 2nd. All volunteers welcome!

ELLIS ST JETTY MURAL – THE SUNKEN SHIP

REBECCA COOL will be hosting our second mural workshop at the ablutions

block on Sunday November 13 at 2pm! All are welcome, but kids, byo adult... We'll nut out the project details and then look for a weather window to PAINT! Get in touch if you can't make it but want to register for the painting day... paintbynumbers6290@yahoo.com

MAIN STREET CONNECTIONS WALL

A mural / community group & tourist info wall on the newsagency wall. We are collecting ideas to fine tune this project - key feature: it has to be detachable! This project will kick off in the coming weeks, so please get in contact if you want to get involved or have ideas to throw in the mix...

paintbynumbers6290@yahoo.com

LEEWIN400 ART PROJECT x EPHEMERAL WALL

Our first community mural... on a sail! The ever-cruisy Jo from PICS Studio managed the community magic in creating a fabulous mural on a gigantic sail, kindly donated by UK Sails Fremantle (convinced by Lynnath!) Also big thanks to the AMR Shire for making it part of the Leeuwin400 Event... we hope there will be much more art coming to Taalinup Augusta... Thanks everyone for coming along and making your mark! Stay tuned next month for the finished product pictures...

Wheelchairs for Kids

By MURRAY CARTER

Wheelchairs for Kids would like to "Thank Everyone" who participated in the raffle of a trailer load of firewood outside the Augusta IGA on Friday, 22nd of September. A total of \$1425 was raised which will enable five disabled children in the world to have greater mobility, now be able to attend school and have an improved quality of life.

The Lucky winner was Priscilla Ryan from Augusta. The second prize of the fruit and vegetable pack went to Ruth from Augusta.

Special thanks to all the staff at Augusta IGA for allowing us to use space at their premises and to Peter Keppel and the Leeuwin Lions Club for the donation of the firewood.

The following businesses and their customers in Augusta and Karridale have contributed donations to enable us to make so far a total of 45 Wheelchairs for disabled children

- Augusta Bakery Cafe
- Augusta IGA

- Augusta Newsagency
- Augusta Hotel
- Augusta Fish n Chips
- Augusta Coastal Cellars
- Augusta BP Service Station
- Augusta Meats

SUNDAY 11 DECEMBER 2022
1.00 - 4.00PM - MARKETS
3.30PM - CAROLS +
Proudly sponsored by
Augusta River Festival, Augusta, Lions Club, Leeuwin Lighthouse, and other local businesses.

The Chamber will have to fold without input from members and friends. We've excellent connections but it is a team effort!

Special General Meeting
Thursday 24th November 5:30pm
At: Blackwood River Houseboats
Rsvp: Pam 0439959638
Ahead of our AGM

To Vote - Please pay your member ship at:
Goto augusta.community
Sign Up, Claim Your Business, Pay membership online

Events such as the River Festival, Whalesong or Community Carols cannot be sponsored without a quorum and member input. Augusta loses another critical forum for businesses. Letters of Support cannot be provided. Your favourite online Directory that so much effort has been put in to, will not eventuate.

It is vital you get in touch now and save your own voice. Please feel free to call me, sign up online but most important get in touch this week.

I'm very aware that everyone has burnout, staffing and many other issues BUT NO decisions can be made without your input. No AMG, no sponsorship, no Directory and no online presence.

Hello!

Karridale
Primary School News

ANIMAL ANTICS

Book Fair always brings an additional dose of fun and laughter to school as everyone dresses up to celebrate their favourite book character.

We start the day with a casual assembly where each "character" has the opportunity to play "guess who". Each person discloses three pertinent points about their book character to the audience and the audience guesses their identity. There are always some interesting suggestions!

The children enjoy the opportunity to take to the stage and share the love of their chosen character. Our staff are not excluded, and they too play the game to the delight of the children.

Top L-R: Our staff in disguise for Book Fair, Ms Holt, Ms Browne, Ms McGill, Mr Gibbon, Mr Gould, Mrs Doyle, Ms Jasper and Mrs Elson—as various animal characters from books.

L-R: Ms McGill, Ms Holt, Lilly, Mr Gould, Rosette, Ada, Ms Jasper, Mrs Doyle, Mrs Elson, Aubrey, Emily and Seth in costume for Book Fair.

FINAL SCOOTER TOUR

For the final time our special friends from SuperKids SuperHeroes revved into our school on their scooters dressed as superheroes to raise awareness and funds for research to improve treatments and a cure for childhood cancer.

Our school has proudly supported these amazing people on their annual fundraising tours for the Kids' Cancer Project since 2017. Our school community has loved dressing up as their favourite superhero and listening out for the raucous scooter tour as they approach on the highway.

This is the final down south tour as SuperKids, SuperHeroes have new adventures ahead through AFL and Auskick in 2023. In appreciation of our school's support, Kim and Simo presented Fiona Cormack with a lovely framed certificate to thank us all.

Our school will continue to support SuperKids, SuperHeroes and hold a fundraising event each year to benefit the Kids' Cancer Project. Thanks for the ride folks! It has been fun!

L-R: Simo and Kim from SuperKids SuperHeroes present Fiona Cormack with a framed certificate of appreciation for our school's support of the Kids' Cancer Project.

Augusta Primary School News

SUPER KIDS SUPER HEROES – SUPER PEOPLE!

On Thursday 20 October, husband and wife duo, Simo and Kim, and a team of family members and friends, once again, visited Augusta Primary School as they embarked on a motorised scooter ride, travelling through rural Western Australia, and dressing up in superhero costumes. The ride is honour of their son, Declan, who sadly passed away as a result of neuroblastoma.

To support the wonderful fundraising efforts by the *Super Kids Super Heroes* gang, we held our very own Super Heroes Free Dress Day, to coincide with their visit. Staff and students were encouraged to dress up as Super Heroes and make a gold coin donation to the Kids Cancer project. We raised \$120.00 and Head Girl, Tayla English, and Student Councillor, Emily Pengelly, presented our *Super Kids Super Heroes* friends with our gold coin collection during their short stay with us.

In appreciation of our generous support over the last seven years of the Super Kids Super Heroes fundraiser for The Kids' Cancer Project, Kim and Simo presented the school with a beautifully framed certificate of appreciation which will take pride of place in the school office.

▲ (L-R) Kim and Simo (aka Batman) presented the school with a framed certificate of appreciation, which was accepted by the Principal, Myles Rees (aka Blueman!).

NEW PLAYGROUND TAKING SHAPE

The Augusta Primary School community is very excited as the first of many new play and climbing structures nears completion. Andrew and Mary from Rustic Nature Play, Margaret River, have worked tirelessly to get our timber fishing boat ready for launch.

▲ Pre-primary students and some friends from Augusta Playgroup were the first to set sail on the new fishing boat.

Through collaboration with the school's P&C, a Playground Committee was formed earlier in the year, which consists of the Principal, school staff and parents. This committee has been instrumental in the redevelopment of the playground equipment and their hard work is now coming to fruition. The committee has also been busy sourcing funding from, not only the P&C, school funds and the Department of Education, but also grants from Healthways and Lottery West.

2023 KINDERGARTEN ORIENTATION

Parents who have enrolled (or intend to enrol) children in the Augusta Primary School 2023 Kindergarten Program are invited to our Kindergarten Orientation (morning), on Thursday 24 November, 2022.

The day will commence in the Augusta Primary School Kindergarten at 9:00am, where parents and children will have the opportunity to meet other 2023 Kindy-Goers.

Kindy Orientation gives us the opportunity to introduce parents to our Early Childhood staff and share key information regarding Kindergarten 2023. To conclude the morning we will offer a guided tour of the school and invite the children to explore the Kindergarten further.

2023 KINDERGARTEN – ENROL NOW!

If you have a child, or know someone who has a child, who was born between 1 July 2018 and 30 June 2019, then now is the time to enrol in the Augusta Primary School Kindergarten program.

Kindy Days and Times

Terms 1 & 2

Monday and Tuesday 8:30am – 3:00pm

Terms 3 & 4

Monday, Tuesday and Wednesday 8:30 – 3:00pm

NB: While schools starts on Wednesday 1 February, 2023, Kindy will commence on Monday 6 February, 2023.

November 2022

Bee swarms – creating a buzz

European honey bee swarms resting on tree branches. Photo credit: **left:** Karl Dewar, photos sent via MyPestGuide® (Report ID 395150) **Right:** John Botha (report via PaDIS).

Why do bees swarm?

Swarming is a natural process for European honey bees (*Apis mellifera*) and forms part of their reproductive life cycle. Honey bee colonies are stimulated to increase their numbers in response to increasing day length, warmer weather and increased availability of nectar and pollen. As a beehive becomes overcrowded, the queen bee and hundreds of worker bees will leave the hive and go in search of a new home. This bee 'swarm' will often remain in the area for a short period before moving some distance and resettling as a tight cluster of bees. Bees then scout for an appropriate nest site, which the swarm will move to and inhabit.

The parent colony will have prepared for this division and raised multiple queen cells from which one will mate and establish as the new queen for the colony.

What do I do if I come across a bee swarm?

Don't panic! If the swarm is still flying, keep your distance. Once clustered, the swarm is usually placid and unlikely to show aggressive behaviour if left undisturbed. Avoid interfering with the swarm if

you're not experienced in its collection or destruction.

Report swarms of bees found near marine ports, airports or domestic freight terminals to the Department of Primary Industries and Regional Development. These will be screened for biosecurity concerns such as new (exotic) bee species, pests, and diseases.

If a bee swarm settles at your property and doesn't move on, you can arrange to have it removed by either contacting a swarm collector or licenced pest controller. The Western Australian Apiarists' Society (WAAS) lists swarm collectors on their website (waas.org.au/swarms), whilst other contacts can be advertised online, in community directories or newspapers, noticeboards or advertised on social media community groups.

Bee swarms located on public or private lands, or establishing in above or below-ground infrastructure (e.g. Telstra pits), should be reported directly to the respective land or infrastructure manager.

To find more information on bees, please visit our website agric.wa.gov.au and search 'bees'.

Lower Blackwood Catchment LCDC Community Update October 2022

Evaluating the Outcome of Engagement

We are delighted to announce our success in securing a grant in the latest round of State NRM Funding for our project 'Evaluating Engagement'. The project will undertake a long-term and holistic evaluation of our landholder engagement over the last 4 years, gauge the impact of this work, and then we'll use the information gained to inform & improve our current and future programs and on-ground works.

We will also undertake an evaluation of our longer term on-ground works (eg. Fencing and revegetation) over the last 20 years to establish the impact of these projects on catchment health but also the social impact. By this we mean to see whether or not there is a ripple effect on neighbours surrounding the area where the work has been undertaken and the effect of landholders as key influencers on their neighbours.

We are super excited about this project as we'll be able to assess the success or otherwise of our AAA Engagement Framework (Increasing Awareness, Providing Advice, and Encouraging Adoption), in supporting landholder uptake of regenerative and sustainable agricultural practices and the corresponding environmental, economic and social impacts on those landholders and the wider catchment.

Reveg, Reveg ...Scott River in the Frame

Plenty more natives going in the ground around riparian areas in the catchment. A good example of this is at a Scott River Dairy Farm in which 15,500 plants over 4ha were planted by Capelife in mid-September. One section of the site is a disused strip of paddock adjoining some good quality shrub land on the property, the new plantings will create a 6ha area of wildlife and bird habitat on the farm. Another section of the site is a winter-wet patch in the middle of the farm with a watercourse running through. The

riparian revegetation will enhance stream functions, improve water quality and provide habitat for riparian

native wildlife. A win win for the farm & the flora and fauna.

In total, combined with other locations in Scott River, around 20,000 plants over 7 hectares have gone into Scott River damp ground and water edges over the past couple of months with 7km fencing out in or contracted (4km of which is in kind contribution from land holders).

A fantastic effort and a big shout to all the landholders, contractors, volunteers and LCDC team involved!

This project is supported through funding from the State Natural Resource Management Program and also through Healthy Estuaries WA – a State Government program that aims to improve the health of our South West estuaries.
